ATTACHMENT B

PRICE SCHEDULE

The schedule price for each CLIN should be all-inclusive, including all supervision, labor (IAW attached wage determination), equipment, materials, and supplies. Pricing shall be FOB Destination and in accordance with the Statement of Work and Terms and Conditions of this Combined Synopsis/Solicitation.

Quoters shall enter the unit price and total amounts for each CLIN as indicated in the schedule below. In the event the Quoter did not add the total estimated price correctly, the Government will utilize the unit price(s) to compute the correct total estimated price.
