B.3 PERFORMANCE WORKSTATEMENT

A. Overview

1. **Federal Acquisition Regulation (FAR) – Indefinite Delivery Indefinite Quantity Contract (IDIQ).** In accordance with FAR 16.504, Indefinite-Quantity Contracts, this is an IDIQ with an ordering period of up to five years beginning from the date of award. This requirement is being solicited under the authority of 38 CFR 17.4000, 38 U.S.C. 1710 and 38 U.S.C. 1720.

2. **Veteran Placements.** Placements may be issued by authorized VA medical center personnel to place Veterans in Nursing Homes. Contact for authorized VA medical center personnel information will be provided separately.

B. Introduction. The Community Nursing Home (CNH) program is a key component of the Veterans Health Administration (VHA) continuum of care. The Contractor agrees to provide in accordance with the terms and conditions stated herein to the U.S. Department of Veterans Affairs **[SITE NAME]** Health Care System, in **[CITY AND STATE]** at the prices specified in the section titled Schedule of Items of this IDIQ. Nursing home facilities in the CNH program shall cooperate with VA staff in referral of appropriate Veterans for care and accept Veterans of which they have the capability/capacity to care. The term, “facilities,” shall include but not be limited to rooms, wards, sections, eating areas, drinking fountains, entrances, and other like areas.

C. Requirements

1. **General.** Nursing home facilities in the CNH program shall ensure that care meets the health needs and promotes the maximum well-being of VA patients. Nursing home care will be furnished to ensure the total medical, nursing, and psychosocial needs of VA beneficiaries. All nursing home facilities in VA’s CNH program must have current Center for Medicare and Medicaid Services (CMS) certification (Medicare and/or Medicaid) and a State nursing home license. VA often has a particular need for specialty care services in the CNH program. The VA requires CNHs to have bed capacity to ensure their ability to take referrals when requested. The CNH also must be able to accept VA referrals in a timely fashion (ideally within 24 hours of request). Provider visits will be available at a minimum of one (1) visit per month. Laboratory, x-ray, and other special services will be available to VA patients as needed. In addition, the care provided will include room, meals, nursing care, and other services or supplies commensurate with the VA-authorized level of care, without extra charge. Duly authorized VA staff will provide quality oversight visits to Veterans placed to assure continuity of care and to assist in the Veterans’ transition back into the community. These visits do not substitute nor relieve the CNH in any way of the responsibility for the daily care and medical treatment of the Veteran. CNHs shall provide primary medical care, provider visits as needed per

month, and specialty consultations, drugs and routine supplies, laboratory, x-ray, and other special services preauthorized by VA. Full attention shall be given to motivating and educating patients to achieve and maintain independence in the activities of daily living. Every effort shall be made to keep patients ambulatory and to achieve an optimal level of self-care.

2. **Termination of Services.** VA reserves the right to remove any or all VA patients from the CNH at any time when it is determined to be in the best interest of VA or the patients without additional costs to the Government.

3. **VA Authorizations.** Authorization for nursing home care will be submitted on VA Form 10-7080, "Approved Referral for Medical Care." Each authorization referral period will be noted on the VA Form 10-7080 with a beginning and end date.

4. Patient Driven Payment Model (PDPM). The VA CNH Fee Schedule follows the Prospective Payment System (PPS) billing requirements found in "Chapter 6–Skilled Nursing Facility (SNF) Inpatient Part A Billing and SNF Consolidated Billing," *Medicare Claims Processing Manual*, Chapter 6, (https://www.cms.gov/regulations-and-guidance/guidance/manuals/downloads/clm104c06.pdf) with some exceptions. This includes VA paying the lesser of billed charges or the CNH Fee Schedule, the interrupted stay policy and enhanced payments for HIV/AIDS. VA exceptions are published and updated on this VA website, https://www.va.gov/COMMUNITYCARE/revenue-ops/Fee-Schedule.asp. Contractors are responsible for monitoring changes to this website which will be applied to claims automatically starting on the published effective date. **The exceptions provided below are for information only and are superseded by published exceptions posted on the VA website after the contract award date.**

1 No special service pricing exists outside of VA PDPM-based PPS for services such as bed hold, memory care, behavioral, HIV/AIDS, respite, ventilator, tracheostomy, and isolation/private room.

2. VA does not participate in sequestration, quality reporting, or in the value-based program.

a. VA covers some services under CNH authorizations that are not considered part of the nursing home PPS, listed below. Nursing homes are required to submit separate claims for these services.

a. Physician services: Providers delivering federally mandated or separately authorized services shall bill fee-for-service. The services will be reimbursed at the lesser of billed charges or the Medicare Physician Fee Schedule. Nursing facilities are required to make claims on behalf of the physician, unless the physician has a Veterans Care Agreement with VA.

b. PT, OT and SLP: When PT, OT or SLP therapy is required during days 101+ of a Veteran's stay, providers must get prior authorization from VA. When care is delivered on days 101+ of a Veteran's stay, providers will bill fee-for-service using the following procedure codes: G0151, G0152, G0153, G0157, G0158, G0159, G0160, G0161. The

services will be reimbursed at the lesser of billed charges or the VA Fee Schedule.

c. Escort services: When an escort to a medical appointment is indicated, providers must get prior authorization from VA. Providers will bill fee-for-service using the following procedure code: G0156. The services paid will be the lesser of billed charges or the VA Fee Schedule.

d. Interrupted Stays: VA follows Medicare's Interrupted Stay Policy.

e. High-Cost Medication: When a high-cost medication is required during a Veteran's stay, providers must get prior authorization from VA. High-cost medication will be reimbursed at the lesser of billed charges or the VA Fee Schedule. (Note: as of October 1, 2024, the published fee schedule does not address high-cost medication. Once added to the website, changes to the website information supersede this paragraph.)

3. **Primary Medical Coverage.** The assigned CNH provider is the primary medical provider during the nursing home stay and is responsible for writing or approving admission and all other orders as soon as the Veteran arrives at the CNH. The CNH provider is responsible for general medical care, urgent evaluation and intervention. Provider visits will be according to the Center for Medicare and Medicaid Services (CMS) guidelines. The assigned nursing home provider will provide timely care following the most current CMS guidelines; arranging 24/7 access for patient care; arranging easy access to VA staff for consultation; providing timely response to calls and arranging for timely provider back-up according to OBRA guidelines (42 CFR 483.40, OBRA Guidelines).

6. **Rehabilitation Criteria.** Follow CMS Medicare chapter on Maintenance Therapy. Therapy requires pre-approval by VA.

7. **Emergency Care; Financial Responsibility; Advanced Directives.** Veterans may have coverage for emergency care when the CNH alerts the VA within 24 hours of the care. The CNH will qualify for VA reimbursement of emergency care and ancillary transportation, provided that the CNH or private hospital contacts the VA Health Care System (VAHCS) within 72-hours of admission or first business day following a weekend or holiday. This includes the cost of necessary transportation for such care. Use of a VA or VA network medical facility is preferred.

8. **HIPAA Compliance.** HIPAA compliance is required. The Contractor must adhere to the provisions of Public Law 104-191, Health Insurance Portability and Accountability Act (HIPAA) of 1996 and the National Standards to Protect the Privacy and Security of Protected Health Information (PHI). As required by HIPAA, the Department of Health and Human Services (HHS) has promulgated rules Fgoverning the security and use and disclosure of protected health information by covered entities, including the Department of Veterans Affairs (VA). In accordance with HIPAA, the Contractor may be required to enter into a Business Associate Agreement (BAA) with VA, but VACO has recognized CNH Facilities as an entity that does not require a BAA as long as they are conducting health care on VA's

behalf. The CNH care program qualifies as a medical service, so no BAA is required.

9. **Quality Expectations for CNH's:**

a. To participate in VA's CNH Program, NHs are expected to have either 1) a three-star overall rating, or 2) a two-star overall rating with a four star or greater quality measures score on the Centers for Medicare and Medicaid (CMS) Nursing Home Compare Web site (https://www.medicare.gov/nursinghomecompare/search.html).

b. NHs with lower scores may participate in the CNH program only when specifically approved by the Deputy Under Secretary for Health for Operations and Management or designee.

c. All NHs in the CNH Program must be certified by CMS under Title XVIII (Medicare) or Title XIX (Medicaid) or have received special approval from the Office of Geriatrics and Extended Care (GEC) Office. NHs are responsible to the state of jurisdiction and CMS for the care provided. VA does not regulate the care or inspect CNHs. VA acts as an informed purchaser of care in order to purchase quality services for Veterans and enhance the Veterans' experience in the home.

d. The CNH must maintain a current and unrestricted state license to operate as a skilled nursing facility. Changes in the status of the licensure will be immediately reported to the **[VA HOSPITAL'S]** VA Home and Community Care Department at **[PHONE #].** VA will monitor the professional care and administrative management of services provided to VA beneficiaries under this IDIQ (reference 9.a.).

(**QASP Indicator #1**) The CNH shall cooperate fully with VA's quality improvement or quality assurance program functions relating to this IDIQ. The VA Contracting Officer shall make all final determinations as to the Contractor's reasonable cooperation with VA and compliance with these requirements.

10. **Corrective Action Plan. (QASP Indicator #2).** The CNH will cooperate with timely development of Corrective Action Plans (CAPs) related to identified deficiencies and related to State or Medicare surveys. The CNH will provide copies of CAPs to VA.

11. **Re-admission to the VA Hospital and Emergency Care; Notification of Death of Veterans; CNH Responsibility for Veteran's Belongings or Personal Effects (QASP Indicator #3).** VA beneficiaries who begin to require more than the level of care authorized by VA will be readmitted to an appropriate VA facility, as determined and authorized by VA.

a. When such an admission is not feasible because of the nature of the emergency, hospitalization in a non-Federal facility may be accomplished provided VA authorization is obtained. VA authorization must be obtained within 72 hours of admission of the patient to a non-Federal facility and notice

of any Veteran death within 24 hours or immediately upon the first business day after a weekend or holiday. If hospitalization of a non-emergency nature is required, readmission to a VA Medical Center may be accomplished as soon as the patient's condition is sufficiently stabilized to permit admission to a VA Medical Center.

b. In the event of a death of any Veteran, the Contractor agrees to notify VA immediately of the death. In the event a death of a VA beneficiary while receiving nursing home care under this IDIQ, the CNH will promptly notify the VA facility which authorized admission and immediately assemble, inventory, and safeguard the patient's personal effects. The funds, deposits, and effects left by the VA patients upon the premises of the CNH shall be delivered by the CNH to the person(s) entitled thereto under the laws currently governing the CNH for making disposition of funds and effects left by patients, unless the beneficiary died without leaving a will, heirs or next of kin capable of inheriting.

c. When disposition has been made, the itemized inventory with annotation as to the disposition of the funds and effects will be immediately forwarded to the VA facility that authorized admission. Should a deceased patient leave no will, heirs, or next of kin, his/her personal property and funds wherever located vests in and becomes the property of the United States in trust. In these cases, the CNH will forward an inventory of any such property and funds in its possession to the VA facility authorizing admission and will hold them (except articles of clothing necessary for proper burial) under safeguard until instructions are received from VA concerning disposition. CMS regulations require retention of records for five (5) years when there is no requirement in State law.

12. **Reportable Events (QASP Indicator #4).** VA requires CNHs to report to the CNH Coordinator at VA any of the below events within 24-hours or immediately upon the first business day after a weekend or holiday. Reporting shall include date of occurrence and patient disposition and outcome.

a. Sentinel events;
b. When there is a change of ownership of the CNH;
c. When there is a change of nursing home administrator or Director of Nursing/Director of Nursing Service;
d. substantiated allegations of mistreatment, neglect, abuse or misappropriation of CNH Veterans or property;
e. Elopements of CNH Veterans pursuant to state regulations;
f. Infectious outbreaks;
g. Resident to resident or resident to staff altercations involving a CNH Veteran resulting in any injury that is other than minor;
h. Copies of annual surveys or substantiated complaint investigations conducted by a State oversight agency; and
i. Adverse events.

A sentinel event may include, but is not limited to the following:

1. A fall resulting in death or injury;
2. Elopement resulting in a missing patient;
3. Patient abuse confirmed or under suspicion;
4. A medication error resulting in patient illness or injury;
5. Death or patient injury related to restraint (including side rails) use; or
6. Death related to an unconfirmed or suspicious cause.

When an adverse event occurs involving a CNH Veteran which is not determined to be a Sentinel Event (but that the State requires that the occurrence be reported to the State), such event is also to be reported to VA's CNH program office. Some adverse events, such as minor medication errors without catastrophic outcomes, are managed by the CNH in the context of their quality improvement programs. It is not necessary for nursing homes to report such incidents to the CNH program office.

13. **VA Actions Regarding Serious Quality of Care Deficiencies.** In cases of serious deficiencies affecting the health or safety of Veterans or in cases of continued uncorrected deficiencies, VA will take one or more of the following actions in accordance with the terms and clauses of the IDIQ and applicable procurement regulations:

a. Increase VA staffing monitoring until the State survey agency clears the deficiency;
b. Suspend placement of Veterans in the CNH;
c. Remove or transfer Veterans under the IDIQ from the subject CNH;
d. Not renew the IDIQ; and/or
e. Terminate the IDIQ.

14. **VA Staff Access to CNH Records (QASP Indicator #5).** All medical records concerning the Veteran's care in the CNH shall be readily accessible to VA. Selected VA staff will be provided access to the CNH electronic health record for each Veteran. Upon discharge or the death of a patient, medical records will be retained by the CNH for a period of at least five (5) years following termination of care. Patient records will be maintained in conformance with the Privacy Act of 1974 (5 U.S.C. § 552a). A medical record shall be maintained for each patient in accordance with CMS standards in 42 CFR 483.

15. **Non-VA Specialty Care Services.** The CNH shall notify VA program staff of the need for specialty care services for Veterans (examples include dental care, podiatry, and ophthalmology). Payment is based on the method of care authorized by VA.

16. **Contact Information for VA Appointments/Admissions/Specialty Care.**

*(a) For urgent same-day outpatient specialty care or for non-urgent scheduled clinic appointments/consultations, phone number **[PHONE #]** between 9 a.m. and 3 p.m. Monday through Friday, excluding holidays. If a same-day appointment is anticipated; please call as early as possible.*

18. **Prices/Rates**

VA shall pay, and Provider shall accept, the following amounts as payment for Covered Services under this Contract: The lesser of billed charges or the VA Fee Schedule amount for the period in which the Covered Service was performed, as posted and contemporaneously available on VA.gov on the date of service. For purposes of this Contract, the "VA Fee Schedule amount" is a per diem rate determined by VA as set forth in the formula posted on VA.gov.

Paper claims must be submitted in accordance with the instructions on the community care website on VA.gov.

VA will provide such notification within 45 calendar days of receipt of a paper claim and within 30 calendar days of receipt of an electronic claim. Provider must submit all additional information requested by VA within 30 calendar days of receipt of VA's notice of denial. Such information must be submitted to the VA facility that issued the authorization, in accordance with the requirements of this section. VA will pay, deny, or otherwise adjudicate the claim within 30 calendar days of receipt of the requested information.

(j) Provider will also submit a copy of claim at the time of submission to authorized VA medical center personnel. This is for clinical review and will not delay payment through the automated system.

20. Payment

VA shall pay Provider, upon submission of clean claims, the amounts set forth in this Contract for Covered Services furnished and accepted. Payment will be made within 30 calendar days of receipt of a clean electronic claim and within 45 calendar days of receipt of clean paper claim.

Payment by Electronic Funds Transfer

Method of payment.

(a) All payments by VA under this Contract shall be made by electronic funds transfer (EFT), except as provided in paragraph (a)(2) of this clause. As used in this

clause, the term “EFT” refers to the funds transfer and may also include the payment information transfer.

(b) In the event VA is unable to release one or more payments by EFT, Provider agrees to either

(1) Accept payment by check or some other mutually agreeable method of payment; or

(2) Request VA to extend payment due dates until such time as VA makes payment by EFT (but see paragraph (d) of this clause).

Mandatory submission of Provider’s EFT information. Provider is required to provide the Government with the information required to make payment by EFT (see paragraph (j) of this clause). Provider shall provide this information directly to the office designated in this contract to receive that information (the Designated Office') by no later than 10 business days prior to submission of the first claim. If not otherwise specified in this Contract, the payment office is the Designated Office for receipt of the Provider’s EFT information. If more than one Designated Office is named for the Contract, Provider shall provide a separate notice to each office. In the event that the EFT information changes, Provider shall be responsible for providing the updated information to the Designated Office(s).

Mechanisms for EFT payment. VA may make payment by EFT through either the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association, or the Fedwire Transfer System. The rules governing Federal payments through the ACH are contained in 31 CFR part 210.

Suspension of payment.

(1) VA is not required to make any payment under this Contract until after receipt, by the Designated Office, of the correct EFT payment information from Provider. Until receipt of the correct EFT information, any claim shall be deemed not to have been received by VA for purposes of determining payment due date.

(2) If the EFT information changes after submission of correct EFT information, VA shall begin using the changed EFT information no later than 30 calendar days after its receipt by the Designated Office to the extent payment is made by EFT. However, Provider may request that no further payments be made until the updated EFT information is implemented by the payment office.

Liability for uncompleted or erroneous transfers.

(1) If an uncompleted or erroneous transfer occurs because VA used the Contractor's EFT information incorrectly, VA remains responsible for:

(a) making a correct payment; and

(b) recovering any erroneously directed funds.

(2) If an uncompleted or erroneous transfer occurs because Provider's EFT information was incorrect, or was revised within 30 days of VA release of the EFT payment transaction instruction to the Federal Reserve System, and

(a) If the funds are no longer under the control of the payment office, VA is deemed to have made payment and Provider is responsible for recovery of any erroneously directed funds; or

(b) If the funds remain under the control of the payment office, VA shall not make payment and the provisions of paragraph (d) shall apply.

EFT and timing of payment. A payment shall be deemed to have been made in a timely manner in accordance with the terms of this Contract if, in the EFT payment transaction instruction released to the Federal Reserve System, the date specified for settlement of the payment is on or before the due date, provided the specified payment date is a valid date under the rules of the Federal Reserve System.

EFT and assignment of claims. If Provider assigns the proceeds of this Contract as provided for in the assignment of claims terms of this Contract, Provider shall require as a condition of any such assignment, that the assignee shall provide the EFT information required by paragraph (j) of this clause to the Designated Office, and shall be paid by EFT in accordance with the terms of this clause. In all respects, the requirements of this clause shall apply to the assignee as if it were Provider. EFT information that shows the ultimate recipient of the transfer to be other than Provider, in the absence of a proper assignment of claims acceptable to VA, is incorrect EFT information within the meaning of paragraph (d) of this clause.

Liability for change of EFT information by financial agent. VA is not liable for errors resulting from changes to EFT information provided by Provider's financial agent.

Invoices for board, care and ancillary services shall be submitted promptly to the authorizing facility by the 15th calendar day following the end of the month in which services were rendered. The CNH will promptly notify the VA CNH Coordinator regarding any change in Veteran status: discharge, transfer, against medical advice (AMA), hospitalization, death and/or any changes in payer source and any ability to complete timely billing. All invoices must include the full name and address of the CNH and shall reflect the patient's name, social security number, number of days billed, RUG category (ies), and agreed upon RUG rate (s). Failure to include this information may result in delayed payment. The current CNH Billing Cover Sheet can be obtained from the Integrated Veterans Care (IVC) department at [PHONE #].

Pre-approved services billed by CMS procedures or CPT codes: All services which are pre-approved by VA as additional to the all-inclusive per diem rate must be billed according to CMS procedures or CPT codes. The CNH will be reimbursed based on local guidelines and VA pricing schedules.

High cost drugs: All requests for additional reimbursement for high cost drugs and corresponding billing are due as soon as possible, but no later than 90 calendar days after use of products.

Invoices: Corrected invoices must be submitted for additional payment of any ancillary costs or changes to the original billing. All corrected invoices must include all items that are affected by the change and should include the CNH corrected claim form [VA Integrated Veterans Care (IVC) department, Phone#].

19. **PRICES/RATES**

VA shall pay, and Provider shall accept, the following amounts as payment for Covered Services under this Contract: The lesser of billed charges or the VA Fee Schedule amount for the period in which the Covered Service was performed, as posted and contemporaneously available on VA.gov on the date of service. For purposes of this Contract, the "VA Fee Schedule amount" is a per diem rate determined by VA as set forth in the formula posted on VA.gov.

PAYMENT *(CONTINUED)*

Payment information. The payment or disbursing office shall forward to Provider available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. VA may request Provider to designate a desired format and method(s) for delivery of payment information from a list of formats and methods the payment office is capable of executing. However, VA does not guarantee that any particular format or method of delivery is available at any particular payment office and retains the latitude to use the format and delivery method most convenient to VA. If VA makes payment by check in accordance with paragraph (a) of this clause, VA shall mail the payment information to the remittance address in this Contract.

EFT information. Provider shall provide the following information to the Designated Office. Provider shall designate a single financial agent capable of receiving and processing the EFT information using the EFT methods described in paragraph (c) of this clause.

(1) The Contract number.

(2) Provider's name and remittance address, as stated in the Contract.

(3) The signature (manual or electronic, as appropriate), title, and telephone number of the Provider official authorized to provide this information.

(4) The name, address, and 9-digit Routing Transit Number of Provider's financial agent.

(5) Provider's account number and the type of account (checking, saving, or lockbox).

(6) If applicable, the Fedwire Transfer System telegraphic abbreviation of Provider's financial agent.

(7) If applicable, Provider shall also provide the name, address, telegraphic abbreviation, and 9-digit Routing Transit Number of the correspondent financial institution receiving the wire transfer payment if Provider's financial agent is not directly on-line to the Fedwire Transfer System; and, therefore, not the receiver of the wire transfer payment.

Vendorization. Prior to submitting a claim, Provider must ensure the authorizing VA facility has received a completed FMS Vendor File Request form (VA Form 10091) and W-9, Request for Taxpayer Identification Number and Certification and all information contained therein is current and accurate.

Prompt Payment by VA.

(1) Interest penalty. The designated payment office will pay an interest penalty automatically, without request from Provider, if payment is not made by the due date and the conditions listed in paragraphs (a)(1) and (a)(2) of this clause are met, if applicable. However, when the due date falls on a Saturday, Sunday, or legal holiday, the designated payment office may make payment on the following working day without incurring a late payment interest penalty.

(a) VA received a clean claim in accordance with Section J.

(b) VA processed a receiving report or other VA documentation authorizing payment, and there was no disagreement over payment amount, compliance of services furnished with any term or condition of this Contract, or Provider compliance with any other term or condition of this Contract.

(2) Computing penalty amount. The interest penalty shall be computed at the rate of interest established by the Secretary of the Treasury under section 3902 of title 31 U.S.C., and published in the Federal Register.

Overpayments.

(1) If Provider becomes aware of a duplicate VA payment or that VA has otherwise overpaid under the Contract, Provider shall:

(a) Remit the overpayment amount to the payment office cited in the Contract along with a description of the overpayment including the

(i) Circumstances of the overpayment (e.g., duplicate payment, erroneous payment, date(s) of overpayment)

(ii) Contract number, and number(s) of affected authorization(s) and claim(s); and

(iii) Provider point of contact.

(2) For purposes of this Contract, the term “overpayment” includes but is not limited to any amount that has been paid to Provider pursuant to this Contract that exceeds the correct VA Fee Schedule amount for the period in which the service was performed because information or data submitted to VA pursuant to this Contract (e.g., HIPPS codes, resident assessment data, medical documentation), upon which VA’s prior determination of payment amount relied, did not accurately reflect the resident’s status and/or the Covered Services provided.

(3) VA may deduct the amount of any overpayment from payments due Provider, in accordance with 38 U.S.C. § 1703D(e).

Interest from Provider.

(1) All amounts that become payable by Provider to VA under this Contract shall bear simple interest from the date due until paid unless paid within 30 calendar days of becoming due. The interest rate shall be the interest rate established by the Secretary of the Treasury as provided in 41 U.S.C. 7109, which is applicable to the period in which the amount becomes due, as provided in (c) of this clause, and then at the rate applicable for each six-month period at fixed by the Secretary until the amount is paid.

(2) VA may issue a demand for payment to the Contractor upon finding a debt is due under the Contract.

(3) Amounts shall be due on the date of the first written demand for payment.

(4) The interest charge shall be computed for the actual number of calendar days involved beginning on the due date and ending on:

(a) The date on which the designated office receives payment from Provider

(b) The date of issuance of a VA check to Provider from which an amount otherwise payable has been withheld as a credit against the contract debt; or

(c) The date on which an amount withheld and applied to the contract debt would otherwise have become payable to Provider.

The payment office for this Contract is: the applicable VA office, unless otherwise identified by VA.

20. **Payment Responsibility**

Provider agrees that payment by VA under this Contract shall, unless rejected and refunded by Provider within 30 calendar days of receipt, constitute payment in full and

extinguish any liability on the part of the VA beneficiary for the treatment or care provided. No provision of any contract, agreement, or assignment to the contrary shall operate to modify, limit, or negate this requirement.

VA is solely responsible for payment for all Covered Services provided under this Contract. Provider shall not seek to recover or collect from any party, other than VA, any payment or fee arising from Covered Services authorized and provided under to this Contract, including any missed appointment fees or charges.

Provider shall not collect any cost share or copayment amount from any VA beneficiary for Covered Services provided under this Contract.

Provider agrees that it shall not seek to recover or collect from a health-plan contract or third party, as those terms are defined at 38 U.S.C § 1729, for any Covered Services provided under this Contract and paid for by VA.

21. Minimum Quantities; VA Payment. It is impossible to determine the exact or estimated amount, which will be expended under this IDIQ. No obligation will be incurred by VA under this IDIQ, until authorizations are issued for nursing home care of specific beneficiaries. VA agrees to make payment on a timely basis for services rendered in accordance with such authorizations upon receipt of proper invoices submitted by the CNH as outlined in this IDIQ.

(End of Clause)

C.3 52.216-19 ORDER LIMITATIONS (OCT 1995)

(b) *Maximum order.* The Contractor is not obligated to honor—

(1) Any order for a single item in excess of TBD;

(2) Any order for a combination of items in excess of TBD; or

(d) Notwithstanding paragraphs (b) and (c) of this section, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within 1 days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.

(End of Clause)

C.4 52.216-22 INDEFINITE QUANTITY (OCT 1995)

(a) This is an indefinite-quantity contract for the supplies or services specified, and effective for the period stated, in the Schedule. The quantities of supplies and services specified in the Schedule are estimates only and are not purchased by this contract.

(b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. The Contractor shall furnish to the Government, when and if ordered, the supplies or services specified in the Schedule up to and including the quantity designated in the Schedule as the "maximum." The Government shall order at least the quantity of supplies or services designated in the Schedule as the "minimum."

(c) Except for any limitations on quantities in the Order Limitations clause or in the Schedule, there is no limit on the number of orders that may be issued. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.

(d) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; *provided*, that the Contractor shall not be required to make any deliveries under this contract after expiration date of awarded delivery schedule.

(7) Suspension or debarment.

(f) Mitigating and aggravating factors. When determining remedies, the Contracting Officer may consider the following:

(1) Mitigating factors. The Contractor had a Trafficking in Persons compliance plan or an awareness program at the time of the violation, was in compliance with the plan, and has taken appropriate remedial actions for the violation, that may include reparation to victims for such violations.

(2) Aggravating factors. The Contractor failed to abate an alleged violation or enforce the requirements of a compliance plan, when directed by the Contracting Officer to do so.

(g) Full cooperation.

(1) The Contractor shall, at a minimum—

(i) Disclose to the agency Inspector General information sufficient to identify the nature and extent of an offense and the individuals responsible for the conduct;

(ii) Provide timely and complete responses to Government auditors' and investigators' requests for documents;

(iii) Cooperate fully in providing reasonable access to its facilities and staff (both inside and outside the U.S.) to allow contracting agencies and other responsible Federal agencies to conduct audits, investigations, or other actions to ascertain compliance with the Trafficking Victims Protection Act of 2000 (22 U.S.C. chapter 78), E.O. 13627, or

any other applicable law or regulation establishing restrictions on trafficking in persons, the procurement of commercial sex acts, or the use of forced labor; and

(iv) Protect all employees suspected of being victims of or witnesses to prohibited activities, prior to returning to the country from which the employee was recruited, and shall not prevent or hinder the ability of these employees from cooperating fully with Government authorities.

(2) The requirement for full cooperation does not foreclose any Contractor rights arising in law, the FAR, or the terms of the contract. It does not—

(i) Require the Contractor to waive its attorney-client privilege or the protections afforded by the attorney work product doctrine;

(ii) Require any officer, director, owner, employee, or agent of the Contractor, including a sole proprietor, to waive his or her attorney client privilege or Fifth Amendment rights; or

(iii) Restrict the Contractor from—

(A) Conducting an internal investigation; or

(B) Defending a proceeding or dispute arising under the contract or related to a potential or disclosed violation.

(h) Compliance plan.

(1) This paragraph (h) applies to any portion of the contract that—

(i) Is for supplies, other than commercially available off-the-shelf items, acquired outside the United States, or services to be performed outside the United States; and

(ii) Has an estimated value that exceeds $700,000.

(2) The Contractor shall maintain a compliance plan during the performance of the contract that is appropriate—

(i) To the size and complexity of the contract; and

(ii) To the nature and scope of the activities to be performed for the Government, including the number of non-United States citizens expected to be employed and the risk that the contract or subcontract will involve services or supplies susceptible to trafficking in persons.

(3) Minimum requirements. The compliance plan must include, at a minimum, the following:

(i) An awareness program to inform contractor employees about the Government's policy prohibiting trafficking-related activities described in paragraph (b) of this clause,

the activities prohibited, and the actions that will be taken against the employee for violations. Additional information about Trafficking in Persons and examples of awareness programs can be found at the Web site for the Department of State's Office to Monitor and Combat Trafficking in Persons at http://www.state.gov/j/tip/.

(ii) A process for employees to report, without fear of retaliation, activity inconsistent with the policy prohibiting trafficking in persons, including a means to make available to all employees the hotline phone number of the Global Human Trafficking Hotline at 1-844-888-FREE and its email address at help@befree.org.

(iii) A recruitment and wage plan that only permits the use of recruitment companies with trained employees, prohibits charging recruitment fees to the employee or potential employee, and ensures that wages meet applicable host-country legal requirements or explains any variance.

(iv) A housing plan, if the Contractor or subcontractor intends to provide or arrange housing, that ensures that the housing meets host-country housing and safety standards.

(v) Procedures to prevent agents and subcontractors at any tier and at any dollar value from engaging in trafficking in persons (including activities in paragraph (b) of this clause) and to monitor, detect, and terminate any agents, subcontracts, or subcontractor employees that have engaged in such activities.

(4) Posting.

(i) The Contractor shall post the relevant contents of the compliance plan, no later than the initiation of contract performance, at the workplace (unless the work is to be performed in the field or not in a fixed location) and on the Contractor's Web site (if one is maintained). If posting at the workplace or on the Web site is impracticable, the Contractor shall provide the relevant contents of the compliance plan to each worker in writing.

(ii) The Contractor shall provide the compliance plan to the Contracting Officer upon request.

(5) Certification. Annually after receiving an award, the Contractor shall submit a certification to the Contracting Officer that—

(i) It has implemented a compliance plan to prevent any prohibited activities identified at paragraph (b) of this clause and to monitor, detect, and terminate any agent, subcontract or subcontractor employee engaging in prohibited activities; and

(ii) After having conducted due diligence, either—

(A) To the best of the Contractor's knowledge and belief, neither it nor any of its agents, subcontractors, or their agents is engaged in any such activities; or

(B) If abuses relating to any of the prohibited activities identified in paragraph (b) of this clause have been found, the Contractor or subcontractor has taken the appropriate remedial and referral actions.

(i) Subcontracts.

(1) The Contractor shall include the substance of this clause, including this paragraph (i), in all subcontracts and in all contracts with agents. The requirements in paragraph (h) of this clause apply only to any portion of the subcontract that—

(i) Is for supplies, other than commercially available off-the-shelf items, acquired outside the United States, or services to be performed outside the United States; and

(ii) Has an estimated value that exceeds $700,000.

(2) If any subcontractor is required by this clause to submit a certification, the Contractor shall require submission prior to the award of the subcontract and annually thereafter. The certification shall cover the items in paragraph (h)(5) of this clause.

C8 52.222-55 MINIMUM WAGES FOR CONTRACTOR WORKERS UNDER EXECUTIVE ORDER 14026 (JAN 2022)

(a) *Definitions*. As used in this clause—

‘‘United States’’ means the 50 states, the District of Columbia, Puerto Rico, the Northern Mariana Islands, American Samoa, Guam, the U.S. Virgin Islands, Johnston Island, Wake Island, and the outer Continental Shelf as defined in the Outer Continental Shelf Lands Act (43 U.S.C. 1331, *et seq.*).

“Worker”—

(1)(i) Means any person engaged in performing work on, or in connection with, a contract covered by Executive Order 14026, and—

(A) Whose wages under such contract are governed by the Fair Labor Standards Act (29 U.S.C. chapter 8), the Service Contract Labor Standards statute (41 U.S.C. chapter 67), or the Wage Rate Requirements (Construction) statute (40 U.S.C. chapter 31, subchapter IV);

(B) Other than individuals employed in a bona fide executive, administrative, or professional capacity, as those terms are defined in 29 CFR part 541; and

(C) Regardless of the contractual relationship alleged to exist between the individual and the employer.

(ii) Includes workers performing on, or in connection with, the contract whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(c).

(iii) Also includes any person working on, or in connection with, the contract and individually registered in a bona fide apprenticeship or training program registered with the Department of Labor's Employment and Training Administration, Office of Apprenticeship, or with a State Apprenticeship Agency recognized by the Office of Apprenticeship.

(2)(i) A worker performs *on* a contract if the worker directly performs the specific services called for by the contract; and

(ii) A worker performs *in connection with* a contract if the worker's work activities are necessary to the performance of a contract but are not the specific services called for by the contract.

(b) *Executive Order minimum wage rate*.

(1) The Contractor shall pay to workers, while performing in the United States, and performing on, or in connection with, this contract, a minimum hourly wage rate of $15.00 per hour beginning January 30, 2022.

(2) The Contractor shall adjust the minimum wage paid, if necessary, beginning January 1, 2023, and annually thereafter, to meet the applicable annual E.O. minimum wage. The Administrator of the Department of Labor's Wage and Hour Division (the Administrator) will publish annual determinations in the Federal Register no later than 90 days before the effective date of the new E.O. minimum wage rate. The Administrator will also publish the applicable E.O. minimum wage on *https://www.sam.gov* (or any successor Web site), and a general notice on all wage determinations issued under the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute, that will provide information on the E.O. minimum wage and how to obtain annual updates. The applicable published E.O. minimum wage is incorporated by reference into this contract.

(3)(i) The Contractor may request a price adjustment only after the effective date of the new annual E.O. minimum wage determination. Prices will be adjusted only for increased labor costs (including subcontractor labor costs) as a result of an increase in the annual E.O. minimum wage, and for associated labor costs (including those for subcontractors). Associated labor costs shall include increases or decreases that result from changes in social security and unemployment taxes and workers' compensation insurance, but will not otherwise include any amount for general and administrative costs, overhead, or profit.

(ii) Subcontractors may be entitled to adjustments due to the new minimum wage, pursuant to paragraph (b)(2). Contractors shall consider any subcontractor requests for such price adjustment.

(iii) The Contracting Officer will not adjust the contract price under this clause for any costs other than those identified in paragraph (b)(3)(i) of this clause, and will not

provide duplicate price adjustments with any price adjustment under clauses implementing the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute.

(4) The Contractor warrants that the prices in this contract do not include allowance for any contingency to cover increased costs for which adjustment is provided under this clause.

(5) A pay period under this clause may not be longer than semi-monthly, but may be shorter to comply with any applicable law or other requirement under this contract establishing a shorter pay period. Workers shall be paid no later than one pay period following the end of the regular pay period in which such wages were earned or accrued.

(6) The Contractor shall pay, unconditionally to each worker, all wages due free and clear without subsequent rebate or kickback. The Contractor may make deductions that reduce a worker's wages below the E.O. minimum wage rate only if done in accordance with 29 CFR 23.230, Deductions.

(7) The Contractor shall not discharge any part of its minimum wage obligation under this clause by furnishing fringe benefits or, with respect to workers whose wages are governed by the Service Contract Labor Standards statute, the cash equivalent thereof.

(8) Nothing in this clause shall excuse the Contractor from compliance with any applicable Federal or State prevailing wage law or any applicable law or municipal ordinance or any applicable contract establishing a minimum wage higher than the E.O. 14026 minimum wage. However, wage increases under such other laws or municipal ordinances are not subject to price adjustment under this subpart.

(9) The Contractor shall pay the E.O. minimum wage rate whenever it is higher than any applicable collective bargaining agreement(s) wage rate.

(10) The Contractor shall follow the policies and procedures in 29 CFR 23.240(b) and 23.280 for treatment of workers engaged in an occupation in which they customarily and regularly receive more than $30 a month in tips.

(c)(1) This clause applies to workers as defined in paragraph (a). As provided in that definition—

(i) Workers are covered regardless of the contractual relationship alleged to exist between the contractor or subcontractor and the worker;

(ii) Workers with disabilities whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(c) are covered; and

(iii) Workers who are registered in a bona fide apprenticeship program or training program registered with the Department of Labor's Employment and Training

Administration, Office of Apprenticeship, or with a State Apprenticeship Agency recognized by the Office of Apprenticeship, are covered.

(2) This clause does not apply to—

(i) Fair Labor Standards Act (FLSA)-covered individuals performing in connection with contracts covered by the E.O., i.e. those individuals who perform duties necessary to the performance of the contract, but who are not directly engaged in performing the specific work called for by the contract, and who spend less than 20 percent of their hours worked in a particular workweek performing in connection with such contracts;

(ii) Individuals exempted from the minimum wage requirements of the FLSA under 29 U.S.C. 213(a) and 214(a) and (b), unless otherwise covered by the Service Contract Labor Standards statute, or the Wage Rate Requirements (Construction) statute. These individuals include but are not limited to—

(A) Learners, apprentices, or messengers whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(a);

(B) Students whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(b); and

(C) Those employed in a bona fide executive, administrative, or professional capacity (29 U.S.C. 213(a)(1) and 29 CFR part 541).

(d) *Notice.* The Contractor shall notify all workers performing work on, or in connection with, this contract of the applicable E.O. minimum wage rate under this clause. With respect to workers covered by the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute, the Contractor may meet this requirement by posting, in a prominent and accessible place at the worksite, the applicable wage determination under those statutes. With respect to workers whose wages are governed by the FLSA, the Contractor shall post notice, utilizing the poster provided by the Administrator, which can be obtained at http://www.dol.gov/agencies/whd/government-contracts, in a prominent and accessible place at the worksite. Contractors that customarily post notices to workers electronically may post the notice electronically provided the electronic posting is displayed prominently on any Web site that is maintained by the contractor, whether external or internal, and customarily used for notices to workers about terms and conditions of employment.

(e) *Payroll Records*.

(1) The Contractor shall make and maintain records, for three years after completion of the work, containing the following information for each worker:

(i) Name, address, and social security number;

(ii) The worker's occupation(s) or classification(s);

(iii) The rate or rates of wages paid;

(iv) The number of daily and weekly hours worked by each worker;

(v) Any deductions made; and

(vi) Total wages paid.

(2) The Contractor shall make records pursuant to paragraph (e)(1) of this clause available for inspection and transcription by authorized representatives of the Administrator. The Contractor shall also make such records available upon request of the Contracting Officer.

(3) The Contractor shall make a copy of the contract available, as applicable, for inspection or transcription by authorized representatives of the Administrator.

(4) Failure to comply with this paragraph (e) shall be a violation of 29 CFR 23.260 and this contract. Upon direction of the Administrator or upon the Contracting Officer's own action, payment shall be withheld until such time as the noncompliance is corrected.

(5) Nothing in this clause limits or otherwise modifies the Contractor's payroll and recordkeeping obligations, if any, under the Service Contract Labor Standards statute, the Wage Rate Requirements (Construction) statute, the Fair Labor Standards Act, or any other applicable law.

(f) *Access.* The Contractor shall permit authorized representatives of the Administrator to conduct investigations, including interviewing workers at the worksite during normal working hours.

(g) *Withholding.* The Contracting Officer, upon his or her own action or upon written request of the Administrator, will withhold funds or cause funds to be withheld, from the Contractor under this or any other Federal contract with the same Contractor, sufficient to pay workers the full amount of wages required by this clause.

(h) *Disputes.* Department of Labor has set forth in 29 CFR 23.510, Disputes concerning contractor compliance, the procedures for resolving disputes concerning a contractor's compliance with Department of Labor regulations at 29 CFR part 23. Such disputes shall be resolved in accordance with those procedures and not the Disputes clause of this contract. These disputes include disputes between the Contractor (or any of its subcontractors) and the contracting agency, the Department of Labor, or the workers or their representatives.

(i) *Antiretaliation.* The Contractor shall not discharge or in any other manner discriminate against any worker because such worker has filed any complaint or

instituted or caused to be instituted any proceeding under or related to compliance with the E.O. or this clause, or has testified or is about to testify in any such proceeding.

(j) *Subcontractor compliance.* The Contractor is responsible for subcontractor compliance with the requirements of this clause and may be held liable for unpaid wages due subcontractor workers.

(k) *Subcontracts.* The Contractor shall include the substance of this clause, including this paragraph (k) in all subcontracts, regardless of dollar value, that are subject to the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute, and are to be performed in whole or in part in the United States.

SECTION E - SOLICITATION PROVISIONS

E.1 52.212-1 INSTRUCTIONS TO OFFERORS—COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES (SEP 2023)

(a) *North American Industry Classification System (NAICS) code and small business size standard.* The NAICS code(s) and small business size standard(s) for this acquisition appear elsewhere in the solicitation. However, the small business size standard for a concern that submits an offer, other than on a construction or service acquisition, but proposes to furnish an end item that it did not itself manufacture, process, or produce is 500 employees, or 150 employees for information technology value-added resellers under NAICS code 541519, if the acquisition—

(1) Is set aside for small business and has a value above the simplified acquisition threshold;

(2) Uses the HUBZone price evaluation preference regardless of dollar value, unless the offeror waives the price evaluation preference; or

(3) Is an 8(a), HUBZone, service-disabled veteran-owned, economically disadvantaged women-owned, or women-owned small business set-aside or sole-source award regardless of dollar value.

(b) *Submission of offers*. Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show—

(1) The solicitation number;

(2) The time specified in the solicitation for receipt of offers;

(3) The name, address, and telephone number of the offeror;

(4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;

(5) Terms of any express warranty;

(6) Price and any discount terms;

(7) "Remit to" address, if different than mailing address;

(8) A completed copy of the representations and certifications at Federal Acquisition Regulation (FAR) 52.212-3 (see FAR 52.212-3(b) for those representations and certifications that the offeror shall complete electronically);

(9) Acknowledgment of Solicitation Amendments;

(10) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including contract numbers, points of contact with telephone numbers and other relevant information); and

(11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) *Period for acceptance of offers*. The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) *Product samples*. When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) *Multiple offers.* Offerors are encouraged to submit multiple offers presenting alternative terms and conditions, including alternative line items (provided that the alternative line items are consistent with FAR subpart 4.10), or alternative commercial products or commercial services for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) Late submissions, modifications, revisions, and withdrawals of offers.

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) *Contract award (not applicable to Invitation for Bids).* The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) *Multiple awards.* The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

(i) Availability of requirements documents cited in the solicitation.

(1)(i) The GSA Index of Federal Specifications, Standards and Commercial Item Descriptions, FPMR Part 101-29, and copies of specifications, standards, and product descriptions can be downloaded from the ASSIST website at *https://assist.dla.mil*.

(ii) If the General Services Administration, Department of Agriculture, or Department of Veterans Affairs issued this solicitation, a copy of specifications, standards, and commercial item descriptions cited in this solicitation may be obtained from the address in paragraph (i)(1)(i) of this provision.

(2) Most unclassified Defense specifications and standards may be downloaded from the ASSIST website at *https://assist.dla.mil*.

(3) Defense documents not available from the ASSIST website may be requested from the Defense Standardization Program Office by-

(i) Using the ASSIST feedback module (*https://assist.dla.mil/feedback*); or

(ii) Contacting the Defense Standardization Program Office by telephone at 571-767-6688 or email at *assisthelp@dla.mil*.

(4) Nongovernment (voluntary) standards must be obtained from the organization responsible for their preparation, publication, or maintenance.

(j) *Unique entity identifier*. (Applies to all offers that exceed the micro-purchase threshold, and offers at or below the micro-purchase threshold if the solicitation requires the Contractor to be registered in the System for Award Management (SAM).) The Offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation ‘‘Unique Entity Identifier’’ followed by the unique entity identifier that identifies the Offeror’s name and address. The Offeror also shall enter its Electronic Funds Transfer (EFT) indicator, if applicable. The EFT indicator is a four-character suffix to the unique entity identifier. The suffix is assigned at the discretion of the Offeror to establish additional SAM records for identifying alternative EFT accounts (see FAR subpart 32.11) for the same entity. If the Offeror does not have a unique entity identifier, it should contact the entity designated at *www.sam.gov* for unique entity identifier establishment directly to obtain one. The Offeror should indicate that it is an offeror for a Government contract when contacting the entity designated at *www.sam.gov* for establishing the unique entity identifier.

(k) [Reserved]

(l) *Debriefing*. If a post-award debriefing is given to requesting offerors, the Government shall disclose the following information, if applicable:

(1) The agency's evaluation of the significant weak or deficient factors in the debriefed offeror's offer.

(2) The overall evaluated cost or price and technical rating of the successful and the debriefed offeror and past performance information on the debriefed offeror.

(3) The overall ranking of all offerors, when any ranking was developed by the agency during source selection.

(4) A summary of the rationale for award;

(5) For acquisitions of commercial products, the make and model of the product to be delivered by the successful offeror.

(6) Reasonable responses to relevant questions posed by the debriefed offeror as to whether source-selection procedures set forth in the solicitation, applicable regulations, and other applicable authorities were followed by the agency.

Offers will be evaluated on contractor's ability to provide nursing home ser vices. The requirements listed below will be considered and rated as “Acceptable” or “Unacceptable.” Past
performance will be rated as Acceptable, Unacceptable or Neutral. The evaluation team will
review responses to the RFQ based on whether and to what extent the proposal meets the
following requirements:

1. Technical Capability - Offerors will be evaluated in accordance with standard industry practice
contractor’s ability to provide nursing home services to the Department of Veterans Affairs. In
evaluating the requirements listed in the RFQ, the following criteria will be considered: Regulatory and Compliance. Nursing home facility will meet all Federal and State regulatory requirements and industry practices, as applicable, and be in compliance with
such regulations and standards. Facility is in compliance with most recent standards of Life Safety Standards – National Fire Protection Association Standard and applicable Federal, State and local regulations. Facility must be 100% sprinklered and can demonstrate evidence of this fact upon request.* Facility has current Center for Medicare and Medicaid Services (CMS) certification (Medicare and/or Medicaid) and State license. * Facility has Medical Liability Insurance/Professional Liability Insurance at the minimum level as required by the State and VAAR 852.237-7, Indemnification and Medical Liability.*

Facility meets three (3) or less of the seven (7) “VHA Exclusionary Criteria” related to VA
quality of care standards as outlined in the latest VHA GEC Program Guidance as evidenced by the latest CMS survey.

Following are the VHA Quality of Care Exclusionary Criteria:
Deficiencies – Scope & Severity: Program Requirement: OSCAR Level G – L equals Nursing Home Compare score of 3 or higher; Standard: CNH fails this criterion when there are three level “G” or worse deficiencies in the current survey; reference CMS Nursing Home Compare.
Health Requirement Deficiencies: Standard: CNH fails this criterion when total number of health requirement deficiencies is greater than twice the State average in current survey, reference CMS Nursing Home Compare website.
Staff Treatment of Residents & Facility Licensure: Program Requirement Rating E-L or higher: Standard: CNH fails this criterion when OSCAR Level E – L or Nursing home Compare score of 2 or higher is found in any following measures: Restraints (Federal Tag, F221 or F222); Abuse – F223; Staff Treatment of Patients (includes background check) – F225 or F226; Dignity – F241; or, Licensure – F491; reference CMS Nursing Home Compare.
RN Hours Standard: CNH fails this criterion when RN hours/patient day are below the State average (in general, these calculations are based on total corresponding staff hours / per number of residents / in a 24 hr. period); reference Nursing Home Compare website.

Total Nursing Staff: Standard: CNH fails this criterion when hours/patient day are below the state average (in general, these calculations are based on total corresponding staff hours / per number of residents / in a 24 hr. period); reference Nursing Home Compare website.
Staffing Deficiencies: Standard: CNH fails this criterion when OSCAR level E – L or Nursing Home Compare score of 2 or higher is found in any of the following measures: Nursing Services – F353; Nursing Aide Training – F494 or F495 or F496; Regular In-Service Training – F497; Proficiency of Nursing Aides – F498; or Staff Qualifications – F499; reference CMS Nursing Home Compare.
Quality Measures: Standard: CNH fails this criterion when Six (6) or more of the CMS Quality Measures listed in Nursing Home Compare do not, at least meet the state average; reference CMS Nursing Home Compare.
Quality Control. Facility can show upon request evidence that its latest plan of correction is approved by the State for any pending deficiencies.*
Management Approach. Nursing home will demonstrate timely access to care and resources.

Facility has bed capacity to ensure their ability to take referrals when requested (i.e. Long Term Care referrals).*
Facility is able to accept VA referrals in a timely fashion: long term and short term (ideally within 24 hours of request).*

2. Past Performance Evaluation. Past performance is one indicator of an offeror’s ability to
perform the contract successfully. Proposals that lack any past performance will receive a
neutral rating. Past performance shall consist of:
a) If you are an incumbent VA-contracted facility, your previous performance under the VA Indefinite Delivery Indefinite Quantity or other contract vehicle;
b) Your nursing home’s most recent State inspection report including Statement of Deficiencies and Plan of Correction*;
c) Any current State Ombudsman report that relates to your facility within the last two (2)
years*; and
d) VA requires nursing homes with a Medicare Star rating of at least 3 as found on the Nursing Home Compare website. Exceptions may be considered for those facilities located in geographically isolated/rural areas/difficult to place patients/specialty units or a good reason for a waiver (i.e. lack of applicants). However, no rating of any facility will fall below a 2 rating. *

3. Inspection. If the facility is determined by evaluators to be Technically Capable and Past
Performance is also acceptable, then VA will request additional information from the facility for
an inspection, which may be a two-tier inspection process. The first-tier screening which precedes an actual onsite inspection may include review of staffing stability, specialized programs, staff development, activities/community integration and resident-centered

care/cultural transformation programs. The second-tier aspect of the inspect ion process occurs
if the first tier is passed and is an on-site inspection by the VA. That inspection process will

(iii) The Government will evaluate offers in accordance with the policies and procedures of FAR Part 25. For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American statute. The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) *Certification Regarding Responsibility Matters* (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) [ ] Are, [ ] are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) [ ] Have, [ ] have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) [ ] Are, [ ] are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) [ ] Have, [ ] have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104–5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court

review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.
