1. RFP Response Table Section L indicated: Region 17 (USCG Arctic District, formerly District 17), CEU Juneau, HUBZone; 8(a), this is an error. The correct set-aside for Region 17 (USCG Arctic District, formerly District 17), CEU Juneau, is Total Small Business.

Amend 0001 answers the following RFIs received:

Q1. Reference: Solicitation USCG RMACC III Final, page 5 of 113- Table showing the CEU assignment and socioeconomic program set aside states: "Region 17 (USCG Arctic District, formerly District 17), CEU Juneau, Total Small Business."

Solicitation USCG RMACC III Final, page 106 of 113- Table depicting regional proposal due dates states: "Region 17 (USCG Arctic District, formerly District 17), CEU Juneau, HUBZone; 8(a), 6 November 2025."

Question: Will the Government please clarify the intended socioeconomic program set aside for Region 17?

A1. Table corrected, reference clerical error #1 above.

Q2. As many of the vendor's government POCs identified for past performance are likely impacted by government shutdown and are furloughed, how would the RMACC III issuing office like vendors to handle the submission of PPQs in light of government shutdown? We remain concerned that we will not get the PPQs back before the proposals are due considering the government shutdown. Is your group anticipating providing a day-for-day extension to the RFP to coincide with the duration of the shutdown?

A2. CPARS are the preferred past performance documentation. If CPARS is not available and the POC for the government project is not available, please notify cheryl.a.berry@uscg.mil NLT October 15, 2025 and USCG will determine if an extension of RFP responses is warranted.

Additional RFIs/Questions submitted will be answered in the next Amendment.
