1) Description of the item or service required

The Spider II 3D scanner uses blue-light technology, combining precise geometric accuracy and color to deliver 3D models unmatched by anything currently on the market. A fast capture rate means scanning is effortless and intuitive.

2) Estimated cost	3) Required delivery date
	Jul 27, 2026

Specific characteristics of the material or service that limit the availability to a sole source or particular brand name (unique features, function, of the item, etc.). Describe in detail **why** only this suggested source can furnish the requirements to the exclusion or other sources:

The Artec Spider II's Structured light scanner allows for target-free scanning, which greatly reduces setup and tear-down time while maintaining the high level of accuracy required. This will lead to faster turnaround on inspection, manufacture and repair of Trident Submarine parts and components and help to avoid delays to Refit Availabilities.
