CONTRACT DATA REQUIREMENTS LISTS (CDRL)

In accordance with the Contract Data Requirements List (CDRL) of the contract, the Contractor shall provide in writing in English utilizing Microsoft Office Suite a schedule of work to be performed, in accordance with Category I, NAVSEA Standard Item 009-060.

Actual physical shipboard work shall begin and end in accordance with the dates documented in their respective Task Group Instructions (TGIs). However, the contractor must perform the following tasks prior to the ship availability:

Performance Work Statement for USS BLUE RIDGE LCC-19 contracting requirements

1) The contractor shall attend and support the Integrated Project Team Development (IPTD) Work Package Integration Conference (WPIC) as needed prior to the scheduled availability. The contractor shall support the conference by evaluating the Availability Work Package and pinpointing work requirements or issues that conflict, prevent or impact other work items from being accomplished.

2) The contractor shall conduct final ship-checks and coordination with Work Integration Managers (WIMs) who will liaison with the project team.

3) The contractor shall attend and support the IPTD IV Work Package Execution Review (WPER) and Schedule Model Review (SMR) events as needed prior to availability. The contractor shall support the mandated conferences executed during planning period leading up to execution of an availability to review work, schedule, and ensure material and resource availability.

4) The contractor shall support the Early Start period of availability when authorized. Contractor is required to begin work and therefore needs time to coordinate and stage materials and equipment prior to starting the physical work.

5) The contractor is required to order all long lead time structural materials. Some of which has long duration for fabrication and shipping from United States manufacturers.

6) The contractor is required to ensure a schedule is submitted to the project team to integrate with existing project schedule and mitigate risks due to space/location constraints to avoid work stoppages.

7) Category I NAVSEA Fiscal Year 2025 (FY25) Original Standard Items are applicable to all items without further reference except TGIs: 3819P123AGA01, 3819P25507A01, 3819P43701A01, and 3819P65416A01. These 4 TGIs are referring Fiscal Year 2026 (FY26) CH-1 Standard Items. Category II NAVSEA FY25 Original and FY26 CH-1 Standard Items are applicable when invoked and/or referenced in individual Task Group Instruction (TGI) specified in ATTACHMENT (I). NSIs may be found at: https://www.navsea.navy.mil/Home/RMC/CNRMC/Our-Programs/SSRAC/

8) Category I U.S. Naval Ship Repair Facility and Japan Regional Maintenance Center (SRF-JRMC) FY25 Local Standard Items (LSI), FY25 SRF-JRMC LSI (Original) are applicable to all items without further reference except TGIs: 3819P123AGA01, 3819P25507A01, 3819P43701A01, and 3819P65416A01. These 4 TGIs are referring FY26 SRF- JRMC LSI (Original). Category II SRF-JRMC FY25 LSI (Original) and FY26 LSI (Original) are applicable when invoked and/or referenced in individual TGIs specified in ATTACHMENT (I). FY25 and FY26 LSIs and subsequent changes have been distributed to all current NAVSUP FLCY MSRA/ABR holders. Please refer to Section A of this Solicitation when requesting a copy of these references.

1. The Government has established execution dates for the following key events:

EVENT DATE

Contractor Work Start Date 7/21/2026

Contractor Work Completion Date 6/20/2028

The Contractor shall accomplish the work within the Period of Performance (POP) specified in separate document. A POP extension will only be issued if the POP for any individual TGI exceeds the Contractor Work Completion Date listed above.

FOR THE CONTRACTOR

Item 17. Specify appropriate price group from one of the following groups of effort in developing estimated prices for each data item listed on the DD Form 1423.

a. Group I. Definition - Data which is not otherwise essential to the contractor's performance of the primary contracted effort (production, development, testing, and administration) but which is required by DD Form 1423.

Estimated Price - Costs to be included under Group I are those applicable to preparing and assembling the data item in conformance with Government requirements, and the administration and other expenses related to reproducing and delivering such data items to the Government.

b. Group II. Definition - Data which is essential to the performance of the primary contracted effort but the contractor is required to perform additional work to conform to Government requirements with regard to depth of content, format, frequency of submittal, preparation, control, or quality of the data item.

Estimated Price - Costs to be included under Group II are those incurred over and above the cost of the essential data item without conforming to Government requirements, and the administrative and other expenses related to reproducing and delivering such data item to the Government.

c. Group III. Definition - Data which the contractor must develop for his internal use in performance of the primary contracted effort and does not require any substantial change to conform to Government requirements with regard to depth of content, format, frequency of submittal, preparation, control, and quality of the data item.

Estimated Price - Costs to be included under Group III are the administrative and other expenses related to reproducing and delivering such data item to the Government.

d. Group IV. Definition - Data which is developed by the contractor as part of his normal operating procedures and his effort in supplying these data to the Government is minimal.

Estimated Price - Group IV items should normally be shown on the DD Form 1423 at no cost.

Item 18. For each data item, enter an amount equal to that portion of the total price which is estimated to be attributable to the production or development for the Government of that item of data. These estimated data prices shall be developed only from those costs which will be incurred as a direct result of the requirement to supply the data, over and above those costs which would otherwise be incurred in performance of the contract if no data were required. The estimated data prices shall not include any amount for rights in data. The Government's right to use the data shall be governed by the pertinent provisions of the contract.
