It is not to be construed as a commitment by the Government to procure any services, nor is it the intent of the Mission and Installation Contracting Command (MICC) – Fort Belvoir, Virginia to award a contract based on this Request for Information (RFI) or otherwise pay for the information sought. The Government is seeking responses to this Sources Sought Notice from all interested businesses capable of providing the requirement. Small businesses, in all socioeconomic categories (including, 8(a) business development programs, HUBZone, service-disabled veteran-owned, (SDVOSB) woman-owned small business (WOSB), small, disadvantaged business (SDB), economically disadvantaged women owned small business (EDWOSB) are highly encouraged to identify capabilities in meeting the requirements.

MICC – Fort Belvoir is seeking preliminary market research information from capable and reliable sources to gain knowledge of potential qualified business sources capable of providing all personnel, equipment, tools, materials, supervision, and other items and non-personal services to provide unscheduled preventive services and repairs to maintain vehicle readiness for fire trucks and emergency vehicles managed by Joint Base Myer-Henderson Hall Logistics Readiness Center (LRC) located on Fort Myer, VA, as defined in the Performance Work Statement (PWS). This requirement provides a full range of repair parts and technical support for unscheduled services and repairs that the LRC may require at vendor or customer locations. This support will significantly provide the necessary assistance to maintain various fleets of emergency vehicles such as emergency standard and aircraft fire and rescue trucks, thus implementing optimal performance to ensure progress toward meeting checks and services to ensure safety requirements are achieved and meet mission goals.

The objective of this requirement is to obtain goods in the form of repair parts and perform unscheduled preventive services and repairs on fire vehicles apparatuses. Equipment includes pumper fire trucks, ladder fire trucks, rescue vehicles, and aircraft rescue and fire fighting vehicles (ARFF).

Currently, the majority fire vehicles apparatuses at Fort Belvoir are manufactured by Pierce Manufacturing, Inc. Purchase of repair parts and repairs that must be purchased from the proprietor of the fire trucks and their parts will be obtained from the Original Equipment Manufacturer (OEM), Pierce Manufacturing, Inc., or an Authorized Maintenance and Repair Service Dealer. All repair parts for Pierce brand fire trucks are proprietary to the manufacturer. Only authorized Vendors can provide maintenance and repair services for Pierce Corporation brand fire vehicle apparatuses. As such, authorized Contractors shall provide documentation that it is an Authorized Pierce Manufacturing, Inc., Maintenance and Repair Services Dealer to be eligible for winning this contract award.
