Capillary Electrophoresis (CE) Instrument 20341426Q00033		
Q#	**Question**	**Answer**
1	We would like to know if this is a brand new contract OR if there is (was) an incumbent performing these services. If not brand new, could you please provide the current / previous contract number?	This requirement is a new procurement action with no prior contractor. Since it has not been procured before, there is no previous contract associated with it.
