Salient Characteristics for Two (2) Oil Injected Screw Compressors
Version 3, Dated 1 July 2026

Brand Name or Equal to:
Atlas Copco G15FF - 20Hp Rotary Screw Air compressor - Part #8153290906

- Oil Injected Screw Compressor - Air Cooled
- Tank Mounted
- Capacity: 58.4 CFM @ 150PSI
- Motor: 20HP, IE3 TEFC Motor
- Voltage: 208-230/460V/3ph/60Hz
- 154 PSI Maximum Operatinng Pressure
- Microprocessor Control: Elektronikon Basic
- Long Life RDX (Roto Duty Extend) Synthetic Oil
- Full Feature Model: Integrated refrigerant dryer
- Footprint: 77"L x 26"W x 58"H
- Installation and Start-up (see Attachment 3 - Statement of Work)
    - Brand name or equal to "AIRNET" materials for installation (i.e. pipes, fitting, hoses, regulators, etc.)
