AUG 4RD, 20250AM to - 20PMCT(4CST)

The following slides are for informational purposes only. These are unofficial solicitations / Requests for proposals (RFPs) / Requests for Quotes (RFQs) for the subject proposals / quotes in this posting. All information contained in this posting is subject to change at any time. The Government will not reimburse for any proposal / quote or for any information or item the Contractor or Vendor elects to submit to this notice.

AS OF: 10/21/2025

Announcement #	Assistant Director or Deputy	Department	Agency	Solicitation Number	Primary Point of Contact	Secondary Point of Contact	Alternate Point of Contact	Contract Type	Contracting Officer	Contract Specialist	Major Duty Assignment	Announcement Type	Area Served or Competitive Acquisition	Title and Abstract (Description of Effort)
RSA-AUG001	CHANG KAI	Electronic Warfare Effectiveness Applications (EWEA)	Wild Trails Outfitters, Incorporated (Wild Trails Outfitters)	0000-Wild Trails	Hunter Ltd	Hunter Ltd		GRP	Mr. Jason Hunter Director, Electronic Warfare Effectiveness Applications (EWEA) (123) 567-4567	Ms. Kimberly Hunter Director, Electronic Warfare Effectiveness Applications (EWEA) (123) 567-4567	Awarded	10-Other	Full Opportunity - RSA-Wide - Restricted	The objective of this effort is to provide Electronic Warfare Effectiveness Applications (EWEA) support to the Intelligence Reconnaissance Surveillance (IRS) systems, research and development of joint communications systems, Radar unattended ground sensors (UGS), and integrated planning for systems.
RSA-AUG002	CHUNG JOO	Technology Shielded Anonymity (TBA)	9999AUG-RJA9999001, 9V1BBN, 9V1BBN,Only in use - pending nomenclature - Shielded Anonymity (TBA)	N/A	5555555555	555-555-5555	N/A	GRP	Mr. Brian Williams Technical Program Integrity Lead (555) 555-5555	Mr. Timothy Shelton Technical Program Integrity Lead (555) 555-5555	Awarded	10-Other	Full Opportunity - RSA-Wide - Restricted	The ATCH will research, develop, access, adapt, maintain, train, integrate, demonstrate, maintain, train, and enhance the designated technologies, capabilities, and systems to support the Technology Shielded Anonymity (TBA) mission. The ATCH will provide technical support to the Technology Shielded Anonymity (TBA) Program Management Office (PMO) and its customers and stakeholders. The contractor will provide engineering and technical support to all phases of the Technology Shielded Anonymity (TBA) system life cycle, including concept development, engineering, systems integration, test and evaluation, production, fielding, sustainment, and disposal. The contractor will provide technical support to the Technology Shielded Anonymity (TBA) Program Management Office (PMO) and its customers and stakeholders, current and future. Technology Shielded Anonymity (TBA) is a [redacted] program. The ATCH will be one of the possible capabilities that [redacted]. The contractor will provide engineering, [redacted] in the areas of [redacted].
RSA-AUG003	CHUNG JOO	Exploitation, Dissemination, and Analysis of Anti-Criminal Threats Program (EDAACT)	5555, 5555555555555,5555FSF1567,5FP555	Cosmi Technologies, Inc.	5435555555555	5-555-555	10 min. travel with one, 10 min. options	GRP	Mr. Justin Donaghue Director, Exploitation, Dissemination, and Analysis of Anti-Criminal Threats Program (EDAACT) (555) 555-5555	Mr. Timothy Shelton Director, Exploitation, Dissemination, and Analysis of Anti-Criminal Threats Program (EDAACT) (555) 555-5555	Awarded	11-Other	Full Opportunity - RSA-Wide - Unrestricted	The ATCH will provide subject matter expert, management, engineering, administrative, procurement, logistics, maintenance and technical support to the Exploitation, Dissemination, and Analysis of Anti-Criminal Threats Program (EDAACT) Program Management Office (PMO) and its customers and stakeholders. The contractor will provide engineering, systems integration, test and evaluation, production, fielding, sustainment, and disposal. The contractor will provide technical support to the Exploitation, Dissemination, and Analysis of Anti-Criminal Threats Program (EDAACT) Program Management Office (PMO) and its customers and stakeholders, current and future threats. Designing and building high-fidelity, threat-realistic, and cross-cutting technology assessments and test beds to support the development and acquisition of Anti-Criminal Threats systems.
RSA-AUG004	CHUNG JOO	CYBER Vehicle-to-Vehicle and Long-term Integration, Proving (ing), and Security (s) (CyVeNtIs)	5Y1MTT1TSN1M1B5M5A2,5Y1MTT1TSN1M1B5M5A2,5NP3E5E	Mag Automotive	5555555555555	11-May-JAN	10 min. travel with one, 10 min. options	GRP	Mr. Justin Donaghue Director, CyVeNtIs Program Office (555) 555-5555	Mr. Timothy Shelton Director, CyVeNtIs Program Office (555) 555-5555	Awarded	10-Other	Full Opportunity - RSA-Wide - Unrestricted	The ATCH will provide component development, cyber development, engineering, cyber integration, cyber test and evaluation, cyber production, cyber fielding, cyber sustainment, and cyber disposal support to the Cyber Vehicle-to-Vehicle and Long-term Integration, Proving (ing), and Security (s) (CyVeNtIs) Cyber Intelligence, Surveillance, and Reconnaissance (ISR) systems, Battle Command, Mission, or other platforms. The contractor will provide engineering, [redacted] in the areas of [redacted].
RSA-AUG005	CHUNG KAI	SUSTAIN Enhanced Support Services	SUSTT-21-AUG-ATS, 5V9BSU-JXJ-JAN5	Jupiter Technology, Inc.	5555555789	Jan-60	10 min. travel with one, 10 min. options	GRP	Mr. Gregg Martin Program Manager, SUSTAIN (555) 987-JAN5	Mr. Mike Whitley Assistant Program Manager, SUSTAIN (555) 987-JAN5	Restricted	10-Other	Full Opportunity - RSA-Wide - Unrestricted	The effort will provide contractor engineering support, customer-requested, related services management for the Joint Satellite Communications (SATCOM) Infrastructure, including engineering support, planning (ing), maintenance, sustainment support, program support, and administrative support. The contract also provides engineering support for the maintenance, review, [redacted] documents. Compounds, Combat Systems, [redacted] in the areas of [redacted].
RSA-AUG006	CHUNG KAI	Engineering & Dynamics Integration – Operations Support (I-ENI-OPS)	SYSTT-21-AUG-SYSTEMSSU-JAY-7-5555	Voyager Incorporated	5V1BSU5555	JULY5	10 min. travel with one, 10 min. from Station	GRP	Mr. Ray Thomas Director, Engineering & Dynamics Integration – Operations Support (I-ENI-OPS) (555) 555-5555	Mr. Jeff Thomas Acq. Liaison for [redacted], LLC (555) 987-5555	Awarded	9-Custom	Full Opportunity - RSA-Wide - Restricted	The I-ENI-OPS program provides engineering support for the Engineering & Dynamics Integration (ENI) Program Management Office (PMO) and Operations Platform. The scope and purpose of the Task Order (TO) is to provide the requisite program management, administrative support, engineering support, and operations support to the Engineering & Dynamics Integration – Operations Support (I-ENI-OPS) program. The contractor shall travel to various locations throughout the continental United States (CONUS) as directed by Officials with knowledge matter. The services will include, but not limited to: recruitment of personnel, shipping and receiving, logistical support, personnel monitoring, and facility support.
RSA-AUG007	CHUNG KAI	Rapid Application Dynamic (RAD)	SYSTT-21-AUG-SYSTEMSSU-JULY-5555	Moon Base Technical, Inc.	5555555555	Feb-24	10 min. travel with one, 10 min. options	GRP	Mr. Brian Williams Senior Director, Rapid Application Dynamic (RAD) (555) 987-5555	Ms. Monique Bryant Director, Rapid Application Dynamic (RAD) (555) 987-5555	Evaluation	9-Custom	Full Opportunity - RSA-Wide - Unrestricted	The effort will provide support for systems Engineering & Dynamic Integration (ENI) Environments program, which will consist of, [redacted] in the areas of [redacted]. The contractor will provide engineering, [redacted] in the areas of [redacted]. The contractor will provide management, engineering, administrative, logistics, and technical support and will be subject to a range of technologies specific to [redacted]. The contractor will provide engineering, [redacted] in the areas of [redacted]. The contractor will provide engineering, [redacted] in the areas of [redacted]. Forces, Foreign Military Sales, and other customers. The range of technological capabilities include sensors, [redacted] and other potential
RSAEVAL-AUG001	CHUNG JOO	Aviation Stabilization and Maintenance Support Services (ASMSS)	5V9BSU-AJA-AUG1	Fabrix Support Services, LLC	5555555555	30-JAN	5 Year Ordering Period	GRP	Mr. Nick Avery Technical Director, Aviation Stabilization and Maintenance Support Services (ASMSS) (555) 987-5555	Mr. Maurice Dobson Deputy Director, Aviation Stabilization and Maintenance Support Services (ASMSS) (555) 987-5555	Evaluation	ASPT-01	Competitive Acquisition, No Set-Aside	The JAI for the Base Aviation Support Services (ASMSS) Solicitation (9BSU-AJA-AUG1) dated August 2nd, 2025 (Effective 8th of 5th - 7th of 5th) is linked to the a Single Award for an Indy 5th and Mud Runway. Start Date: 5th of 5th to 5th of 5th. Period of Performance: 5th of 5th to 5th of 5th.
