February 10, 2023

Dear Incumbents & Prospective Offerors:

Under solicitation 47QMCA22R0014, 2023 Light Duty Vocational Trucks, GSA is announcing the first Open Season period for existing contractors to provide new model year (NMY) information on awarded line items, as well as for existing contractors or new interested offerors to propose new models under the 2023 Light Duty Vocational Trucks Program. All models must comply with the 2023 Federal Vehicle Standards 307BB, which is available at this link.

GSA will hold a virtual Industry Day on **Tuesday, February 28, 2023, from 12:30pm – 1:30pm EST** to go over the Open Season process. All interested parties should attend. The meeting info is as follows:

Meeting ID: meet.google.com/vra-jwxj-vdp
Phone Numbers: (US)+1 443-424-3810
PIN: 139 881 989#

Existing contractors and new interested offerors must submit a list of all new makes/models they intend to submit for consideration to John Hampson, GSA Vehicle Engineering Branch Chief, at john.hampson@gsa.gov no later than March 9, 2023, at 5:00pm EST. The subject of that correspondence should read "47QMCA22R0014 - 2023 Light Duty Vocational Trucks Spring Open Season Makes/Models."

All offerors, including existing contract holders as well as new interested offerors, are also required to request an AutoBid account no later than March 9, 2023, at 5:00pm EST by submitting the attached "Request for AutoBid Account" document, complete with all necessary information, to automotiveedi.partnerships@gsa.gov. The subject of that correspondence should read "47QMCA22R0014 - 2023 Light Duty Vocational Trucks Spring Open Season Request for AutoBid Account."

AutoBid will open on March 15, 2023, for all parties who properly requested an AutoBid account.

Thank you for your participation/interest in the GSA's vehicle buying programs. Should you have any questions, please contact Arielle Alman, Contracting Officer, at (313) 657-1356 or arielle.alman@gsa.gov. I look forward to receiving your proposal!

Sincerely,

Arielle Alman
Contracting Officer
Light Vehicles Branch (QMAAA)
