Point Defense Experimentation Plan

Public Notice:
The Point Defense Battle Lab will conduct monthly exercises with commercial vendors.
Each exercise will have a specific focus related to finding, fixing, tracking, targeting, engaging, and assessing sUAS and will be advertised via www.sam.gov .
It's recommended you check www.sam.gov a month before the exercise you are interested in for the listing.
For more information, please visit the Point Defense Battle Lab: website: https://www.grandforks.af.mil/Point-Defense-Battle-Lab/
