1. Since the project specifies explicit part numbers from the Performance Laminate Series, what is the government's preferred wood finish color (e.g., Newport.Gray?.Aspen?.Modern.Walnut?.Cherry) for the desks and cabinets?

   Newport Gray

2. What is the required or preferred color for the mesh and fabric on the management and executive office chairs?

   Gray

3. If a major "or equal" alternative furniture brand is proposed, will the government require formal lab certifications proving the alternative surfaces meet the required antimicrobial/micro-bacterial standards? Yes

4. Can the government provide an interior layout sketch or space-planning design showing exactly how the desks and storage units should be positioned inside Rooms 156, 157, and 158? Yes

5. 
6. Are the square footage room dimensions provided in Attachment B clear of door swings, wall-mounted baseboards, heaters, and window frame protrusions? Yes

7. Will the electric sit-to-stand desks require custom-drilled surface grommets or specific cord tracks to align with the location of the power and data jacks being installed by the clinic's IT staff? Yes, if the computer or phone is not close enough to a power outlet.

8. Is there an on-site loading dock, freight elevator, or dedicated staging area available to the contractor for unboxing and staging the furniture? Yes

9. Must the contractor supply a private waste dumpster for packing materials and cardboard, or can the facility's certified on-site disposal systems be used?

Contractor must remove all waste (plastics, cardboards, wood pallets, etc.

10. Section 1.m of the deliverables mentions a site visit to verify dimensions, and FAR Provision 52.237-1 (Site Visit) is checked. Is this site visit mandatory before we submit our bid, or does the winning contractor conduct it after the contract is awarded?

    For accurate dimensions and installation purposes a site visit should be conducted prior to bid submission.

11. Will the clinic vacate rooms 156, 157, and 158 simultaneously so we can install everything at once, or must we deliver and assemble the furniture in phases to protect day-to-day operations? Yes, we can vacate.

    Your prompt response will be highly appreciated. Thank you.
