Currently there are no feasible actions that could develop future competitions, therefore it is reasonable to seek approval for more than one fiscal year's requirement. If additional source(s) become known during the life of this contract, any remaining options will not be exercised and this J&A will not be used to support any buys using other than full and open competition

IV. STATUTORY AUTHORITY PERMITTING OTHER THAN FULL AND OPEN COMPETITION

10 U.S.C. 2304 (c) (1), as implemented by FAR 6.302-1 (a) (2), with an application pursuant to FAR 6.302-1 (b) (2).

V. **DEMONSTRATION THAT THE CONTRACTOR'S UNIQUE QUALIFICATIONS OR NATURE OF THE ACQUISITION REQUIRES THE USE OF THE AUTHORITY CITED ABOVE (APPLICABILTIY OF AUTHORITY)**

The Government does not have the necessary data rights for competitive acquisition of repair. Innovative Solutions is the only known source to possess source documentation and software to satisfactorily meet all requirements to fully repair these items. Since the repair data rights are proprietary, there are no immediate actions to be taken to develop future competition.

VI. **DESCRIPTION OF EFFORTS MADE TO ENSURE THAT OFFERS ARE SOLICITED FROM AS MANY POTENTIAL SOURCES AS DEEMED PRACTICABLE**

In accordance with FAR 5.201, this requirement shall be synopsized and the RFP posted in Federal Business Opportunities (FedBizOpps). Qualification requirements do not currently exist as the government does not have access to data for developing the requirements.

VII. **DETERMINATION BY THE CONTRACTING OFFICER THAT THE ANTICIPATED COST TO THE GOVERNMENT WILL BE FAIR AND REASONALBE**

The Contracting Officer will ensure that the items described herein are negotiated at a fair and reasonable price to the government. A detailed price analysis will be performed. In determining fairness and reasonableness, the contracting officer may rely on information such as established catalog or market prices or previous contract prices available within the Government, from sources outside the Government other than the potential source or, if necessary, information other than cost or pricing data from the potential source. The Defense Contract Management Agency (DCMA) may be contacted to assist with the price analysis, if necessary, and will assist with inputs throughout the life of the contract.

VIII. **DESCRIPTION OF THE MARKET RESEARCH CONDUCTED AND THE RESULTS, OR A STATEMENT OF THE REASONS MARKET RESEARCH WAS NOT CONDUCTED**

Market research, in accordance with FAR Part 10, shall be conducted by synopsis of the proposed acquisition, advising industry of the pending acquisition and soliciting inquiries from interested parties. In accordance with FAR 10.001 (a)(2), market research has revealed that the commercial repair suitable to meet the requirement is [redacted] available. Commercial repair is acceptable provided both Government Source Inspection is required and the Government maintains configuration control. This is a non-developmental repair.

IX. **ANY OTHER FACTS SUPPORTING THE USE OF OTHER THAN FULL AND OPEN COMPETITION**
