5/19/2026	46	00 70 00		The Solicitation specifically DFARS 252.204-7021 and 7025 note this project requires CMMC Level 1, which offeror's would assume the project does not contain CUI. However, several drawings in package A1 - BN HQ, specifially the AY set of drawings have a CUI label. Please confirm if these drawings are in fact CUI and need to be handled as CUI including requiring a CMMC Level 2 from the prime contract as well as subcontractors that will handle these documents. Please note the documents were publically distrubted on SAM.gov/PIEE without any restrictions.	File has been removed from SAM.gov. Further guidance will be provided when files are available.
5/19/2026		Attachment C - Price Schedule		CLIN ITEM 0001 states "Project P-1550 - SOF Armory…" please confirm this was done by mistake, and a new bid form with the correct information will be forthcoming.	This was a clerical error and the description has been corrected. Please see Amendment 0001 for the revised form
5/19/2026		Attachment C - Price Schedule		CLIN ITEM 0001 states "includes subtotal of 0001A and 0001B" please confirm this was done by mistake, and it should read includes subtotal of 0001A through 0001J. If so, please provide a new bid form with the correct information in a forthcoming Amendment.	This was a clerical error and the description has been corrected. Please see Amendment 0001 for the revised form
5/19/2026		Attachment C - Price Schedule		Please confirm that all subtotal costs provided on line items 0001A through 0001J should be included in the Total Price for CLIN 0001 and these breakouts are for information only.	Yes, this is correct.

5/19/2026	Pages 9-10	Factor 2		On pages 9-10 of the RFP, Factor 2 requires a CPM schedule with no page limit, as well as a Summary Schedule limited to 1 page. Please clarify that these are 2 separate deliverables within Factor 2, and that the page limits are accurate for each.	Yes. Factor 2 submission requirements do not place a page limit on the CPM schedule. The summary schedule itself is limited to one (1) page.
5/19/2026	Page 7	Price Proposal		If an Offeror files VETS 4212 reports for multiple hiring regions, please confirm if all report confirmations should be included in the proposal, or only the report confirmation that corresponds to the region of the project.	Propose per RFP.
5/19/2026		Attachment H - Small Business Subcontracting Plan		Section 00 70 00 – Conditions of the Contract references the DoD adoption of the FAR Overhaul (RFO) deviation effective February 2026, which includes updated provisions under FAR 52.219 governing the small business subcontracting requirements. The small business plan attachments provided with this solicitation appear to reference regulatory language that predates these updates. Will the Government provide revised small business attachments that reflect the current regulatory requirements as referenced in Section 00 70 00, or confirm whether the existing attachments should be used as a format guide only, with content updated to reflect currently effective regulations?	Propose per RFP.

5/26/2026	N/A	1701820 A1 - FINAL_1.pdf (deleted)		How does the government plan to reissue file "1701820 A1 - FINAL_1.pdf (deleted)" which is not posted via SAM or PIEE?	NAVFAC recommends all interested vendors please submit a request via email to the Contract Specialist, Andy Bui, andy.h.bui.civ@us.navy.mil to receive the file through DoDSafe. An NDA will be provided via attachment with Amendment 0001 and will be required to receive files containing CUI.
5/26/2026	14	Solicitation - N4008526R0138	4.1	4.1 SITE VISIT - The Solicitation references that a site visit will be provided via Amendment. With the solicitation being issued almost 12 days ago, please provide feedback on forthcoming amendment.	Please refer to Amendment 0001 for Site Visit information.
5/26/2026	15	Solicitation - N4008526R0138	4.3	4.3 PRE-PROPOSAL INQUIRIES (PPIs) - The Solicitation references that all inquiries must be submitted in writing and received by the Contract Specialist prior to the solicitation closing date in fourteen (14) calendar days order to permit adequate time to reply to the inquiry. Please consider allowing for 2 full weeks to address PPIs after the site visit.	Please refer to Amendment 0001 for Site Visit information, including information regarding the timeframe for response. Propose per RFP.
5/26/2026	15	Solicitation - N4008526R0138	4.3	4.3 PRE-PROPOSAL INQUIRIES (PPIs) - The Solicitation references that all inquiries must be submitted in writing and received by the Contract Specialist prior to the solicitation closing date in fourteen (14) calendar days order to permit adequate time to reply to the inquiry. Please consider allowing for a brief period of time to respond to government responses from the first wave of PPIs (Amendment) if falling within the 14 calendar day	Please refer to Amendment 0001.

				window. At times initial responses lend to additional PPIs and/or further clarifications as it relates to conflicting info in the contract docs.	
5/26/2026	14	Solicitation - N4008526R0138	4.2	4.2 PROPOSAL SUBMISSION INSTRUCTIONS - The Notifications via SAM & PIEE states that offers are due by Jun 29, 2026 2:00 PM EDT however this is not listed in the Solicitation instructions. Due to the size of the project, the absence of file 1 drawings, and site visit not scheduled. Please consider extending this proposal due date to provide at least 30 days from the time of the full files being issued and a physical site visit.	Please note Box 13 of the SF1442, that provides the proposal due date of 29 June 2026 at 2:00pm as stated in the instructions.
5/26/2026		SF1442		The SF 1442 lists two different titles for this pursuit: a) DBB P-1550 SOF Marine Raider Battalion Company & Team Facilities – and – b) DBB P1550 SOF Marine Raider Facilities Complex. Please clarify which title Offerors should use in their proposal.	Please use "P-1550 SOF Marine Raider Battalion Company & Team Facilities"
5/26/2026	7	Price Proposal		The RFP requests FAPIIS Certification in the Price Proposal, but that website is no longer active and has been replaced with the Responsibility/Qualification section of SAM.gov. Please advise if Offerors should include the Responsibility/Qualification section of SAM.gov in lieu of the FAPIIS Certification, or please remove the requirement for FAPIIS Certification altogether.	Include the Responsibility/Qualification section of SAM.gov in lieu of the certification.
