Replacement of Capehart Roofing Phase 4, GOGA
Question & Answers

Question 1: Are the shed roofs included in the contract?

Answer 1: No

Question 2: Are there gutters on the buildings?

Answer 2: No, the roofing will need a slight pitch towards the downspouts.

Question 3: Is there cell service or internet available at the job location?

Answer 3: No, any internet needs will need to be contractor provided.

Question 4: What type or brand of polyurethane silicone is required?

Answer 4: The details of the roofing are in the specifications.

Question 5: Project Labor Agreement (a collective bargaining agreement negotiated with local labor organizations or union councils)?

Answer 5: Davis Bacon Wages apply as this is a federal contract.
