W50S9H26QA029- RUNWAYS EDGE TABLES & CHAIRS

QUESTIONS AND ANSWERS

Q1. The RUNWAYS EDGE TABLES & CHAIRS – Minimum Specifications document includes specifications for the tabletops; however, the vendor could not locate any details or specifications for the table bases. Could you please confirm whether table bases are required? If so, would you please provide the specifications, including whether metal or wood bases are required?

A1. See updated Spec Sheet

Q2. The vendor has wood seating that appears to meet the stated requirements. However, their barstools do not include the swivel feature. Would a non-swivel barstool be considered acceptable, or is the swivel feature a mandatory requirement?

A2. Swivel feature is a mandatory requirement

Q3. I don't see any details or specifications for the table base for the tables. The information provided just provides details for the tops. Do you have any details or specifications for the bases? Do they need a Metal or Wood base?

A3. See updated Spec Sheet

Q4. Is there a basis of design?

A4. Examples below:

Q5. Seating textile; vinyl, cloth?

A5. Black Vinyl

Q6. Example of "bucket-style".

A6. See above

Q7. Does the bar stool have a back?

A7. Yes

Q8. Is installation required or will the end user handle receiving and installation?

A8. Installation NOT required
