8) A copy of the completed past performance evaluation will be available in CPARS for your viewing and for Government use supporting source selection actions after it has been finalized.

BACKGROUND INVESTIGATION (Revised 04/01/2020)

In accordance with 25 U.S.C. § 3201 et seq. (Pub. L. 101-630), the *Indian Child Protection and Family Violence Prevention Act*; 34 U.C.C. § 20351, et seq. (Pub. L. 101-647), the *Crime Control Act of 1990*, as amended; and 441 Departmental Manual, *Personnel Security and Suitability Requirements*, all positions with duties and responsibilities involving regular contact with or control over Indian children are subject to a background investigation and determination of suitability for employment. Accordingly, all such positions require a favorable background screening by the Bureau of Indian Education (BIE), Personnel Security and Suitability Program and a favorable background investigation by the Defense Counterintelligence Service Agency (DCSA).

The documentation required to initiate a background investigation shall be completed for any Contractor employee that will be onsite during the contract’s performance or have access to Personally Identifiable Information (PII). The complete submittal of the background investigation paperwork to the BIA/BIE will be accomplished within 14 days after contract award for service contracts or, for construction contracts, before a Notice to Proceed (NTP) is issued by the Contracting Officer. Pending the successful completion of a background investigation by the BIA/BIE and/or DCSA, the Contractor who has been granted a favorable screening (applicant and suitability) determination must, at all times, remain within sight and under the supervision of a Government employee (or other person designated by the Contracting Officer Representative (COR), who has successfully completed the background investigation.

If an unfavorable screening (applicant and suitability) determination is made, an employee shall not be allowed onsite. If the Contractor’s employees are found onsite, without the proper authorization, the employee will face legal liability and the Contractor may have their contract terminated for default. Additionally, the individual and/

or the company who proposed to employ this individual may be determined to be non-responsible if an unfavorable screening (applicant and suitability) determination is made and may be deemed ineligible for contract award. If an unfavorable final background investigation determination is made, the contract may be terminated and the employee in question shall not be authorized to provide service to the BIA/BIE if the services involve contact with or regular control over Indian children.

It is solely the COR's responsibility to initiate background checks for all Contractors and their employees in the BIE BEARCUBS system, which includes but is not limited to appropriate investigative forms and/or inquiries about their previous investigation; and, obtain a screening (applicant and suitability) determination, and subsequent final background investigation.

The Contracting Officer will consult with the COR when questions arise as to whether or not the scope of work of a contract requires background investigations for contractor personnel. If the Contracting Officer or COR believes the scope of work performed by contract personnel should not require a background investigation, the Personnel Security Officer will be contacted for concurrence and has the final authority to determine if background investigation(s) are required.
