Description

This is a SOLICITATION for commercial products and commercial services prepared in accordance with part 12. This announcement constitutes only solicitation. Offers are being requested and a separate written solicitation will not be issued.

This solicitation is an RFQ issued on Standard Form (SF) 18. Award for this purchase order will be made according to FAR Overhaul part 12 Acquisition of Commercial Products and Commercial Services. All references to "proposal," "offer," or "bid" in this solicitation shall be understood to mean "quotation," "quoter," or quote." Quotations shall be evaluated in an impartial manner and consideration given to those with the highest perceived value to the government.

Solicitation Number 140P1426Q0088 is issued as a request for quote (RFQ) for Glacier National Park (GLAC). GLAC requires a contractor to provide dredging services.

This acquisition is 100% Small Business (SB) set aside.

This solicitation incorporates applicable provisions and clauses by reference with some in full text. All full text provisions and clauses may be accessed electronically at www.acquisition.gov.

The North American Industry Classification System (NAICS) code is 237990 – Dredging with a size standard of $37.5 Million.

The product service (PSC) code is Z1ND – Maintenance of Sewage & Waste Facilities

The National Park Service (NPS) contemplates award of a firm fixed price (FFP) purchase order from this solicitation. Written solicitation will not be issued.

Line-Items

Line-Item	Description	Quantity	Unit of Measure
10	Remove Sludge West Lake, Wastewater Treatment Plant as described in the Scope of Work. Breakdown of pricing for price evaluation purposes is found in Attachment 4 - Price Breakdown	1	By Dollars (BD)

Description of Requirement

This project will remove sludge and inorganic materials from a wastewater basin at the West Lakes District Wastewater Treatment Plant (WWTP) at Glacier National Park. The main wastewater basin, after more than 20 years in service, has an estimated 6.5 feet of settled sludge and inorganic material settled at the bottom of the basin. The sludge interferes with pipes and valves that connect the basin to the wastewater plant building.

This contract is limited to sludge removal and related activities only – the basin liner and all WWTP equipment shall remain unchanged.

AWARD SELECTION PROCESS

The Government intends to award a contract in accordance with the procedures of FAR Part 12 using comparative evaluation. Award will be made to the quoter whose quotation represents the best overall value to the Government at a fair and reasonable price.

The Government may consider a quotation that is not the lowest priced quote if it provides a demonstrable benefit to the Government and meets all minimum requirements of this solicitation. However, the Government is under no obligation to make the decision to do so.

To be eligible for evaluation and award consideration, each quotation must meet all minimum requirements stated in this announcement. Quotes that fail to meet any minimum requirements will not be considered further.

QUOTE DUE DATE – TIME – QUOTE SUBMISSION METHOD

Questions:

All questions shall be submitted in writing by Noon (12:00 PM, Mountain Time (MT)) on 7/15/2026, via email to the CO, sally_leitch@ios.doi.gov. **Phone calls shall not be accepted**.

Quote Due Date & Time:
Quoters shall submit a quote to the CO via email to sally_leitch@ios.doi.gov by the closing date and time of 7/22/2026, at 12:00 PM (MT). Late quotes may not be accepted.

Late Quotes:
Quotes received after the closing date and time may not be accepted. The determination in accordance with FAR 52.212-1(f)(2)(ii), Late Submissions to accept a late quote will be made solely by the Contracting Officer. It is the responsibility of the quoter to ensure that the entire quote is received, not just sent. If attachments do not open may render the quote unacceptable and may not be further considered for award. All quotes received have a date and time received in the contracting officer's email. This date and time will be the determination if a quote is late.

Quoters may submit more than one quote by the due date and time of quote submission or withdraw in writing the previously submitted quote. If withdrawing the previously submitted quote, it shall be done in writing.

All quotes shall be submitted to the CO by the due date and time listed below. As a reminder any quote that is date/time stamped by the CO's email shall determine the date and time received (not sent by the quoter).

Quotes will receive a preliminary review to determine whether the quote contains sufficient information, as required. If the results of the preliminary review indicate that the quote lacks sufficient information to determine capability, the Contracting Officer, as the sole deciding authority, may determine a quote as unacceptable and may remove the quote from further consideration for an award.

The contracting officer shall conduct the price evaluation. Technical evaluators will conduct technical evaluations. The CO and evaluators will both conduct past experience evaluations.

In accordance with FAR 9.104 a determination of contractor responsibility or non-responsibility will be made by various systems including but not limited to SAM, CPARS, and FAPIIS.

Debriefings do not apply to FAR Part 12.

Quoters are reminded to include their best technical and price terms in their initial quote and not to automatically assume they will have an opportunity to participate in discussions.

FAR 52.212-2	Evaluation—Commercial Products and Commercial Services	**NOV 2021**

(a) The Government award will be made in accordance with the procedures established in part 12 for the quoter who is determined to be the best overall value at a fair and reasonable price based on comparative evaluation procedures.

The Government reserves the right to consider a quotation other than the lowest priced that provides a benefit to the Government that meets the minimum requirements of the solicitation but is not required to do so. Each quote shall meet the minimum requirements of the solicitation to be considered eligible for technical evaluation and award consideration.

1. Price.
2. Technical Capability: A narrative that addresses in the contractors' own words how they will meet the stated requirements of the Statement of work. This narrative shall contain sufficient information to conduct meaningful evaluations. At a minimum it shall include:

a. Name of contractor performing the sludge removal work, and their relevant experience in completing similar work.
b. Description of the contractor's plan to complete the work. Include descriptions of the equipment that will be used, procedures or processes involved, and temporary facilities required. Please note any temporary impacts to the wastewater plant's operation that NPS must plan for and accommodate.
c. A rough schedule of work.

3. Past Experience: Quoter shall have direct experience in providing furniture. All past performance examples are specific to furniture supply and delivery via factual documentation.
    a. Quoters shall provide 2 direct past experiences within the last 3 years of the same size and scope and shall include at a minimum:
    b. Narrative of a firm's experience, qualifications, and capability.
    c. Shall include the following for each past experience:
        i. Description of furniture requirement
        ii. Point of Contact with phone/email.
        iii. Contract/Project Number
        iv. Awarded Dollar Amount.

All eligible quotes shall be evaluated in accordance with the factors described herein. The evaluation factors used in this RFQ are technical, past experience and price. Award will be made to the quoter who is determined eligible and is the overall best value to the Government by using comparative evaluation. A comparative evaluation is where each quote will be compared side-by-side with other quotes to determine the overall best value to the Government.

Quoters are reminded to include their best technical and price terms in their initial quote and not to automatically assume they will have an opportunity to participate in clarifications or discussions.

Quoters may submit more than one quote by the due date and time of quote submission or withdraw in writing the previously submitted quote. If withdrawing the previously submitted quote, it shall be done in writing, and a completely new quote is submitted.

All quotes shall be submitted to the CO by the due date and time listed below. As a reminder, Quoters are responsible for submitting quotes to reach the Government office designated in the solicitation by the time specified in the solicitation. Quoters should consider and account for potential days in transmissions between when an electronic submission is submitted and when an electronic submission is received. Late quotes will not be accepted.

Quotes will receive a preliminary review to determine whether the quote contains required items and sufficient information, as required by the solicitation to be eligible for evaluation. If the results of the preliminary review indicate that the quote lacks sufficient information to allow a meaningful evaluation to be conducted, the Contracting Officer as the sole deciding authority may determine a quote as ineligible and may remove the quote from further evaluation and consideration for an award.

Quoters should submit in their own words their technical approach in how they will complete and comply the requirements of the SOW.

(b) Options. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s). This award does not contain options.

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

Electronic Invoicing and Payment Requirements – Invoice Processing Platform (IPP)	February 2021

Payment requests must be submitted electronically through the U. S. Department of the Treasury's Invoice Processing Platform System (IPP).

"Payment request" means any request for contract financing payment or invoice payment by the Contractor. To constitute a proper invoice, the payment request must comply with the requirements identified in the applicable Prompt Payment clause included in the contract, or the clause 52.212-4 Contract Terms and Conditions - Commercial Items included in commercial item contracts. The IPP website address is: https://www.ipp.gov.

Under this contract, the following documents are required to be submitted as an attachment to the IPP invoice:

Invoice to be on company letterhead with stated contract number.

The Contractor must use the IPP website to register access and use IPP for submitting requests for payment. The Contractor Government Business Point of Contact (as listed in SAM) will receive enrollment instructions via email from the Federal Reserve Bank of St. Louis (FRBSTL) within 3 - 5 business days of the contract award date. Contractor assistance with enrollment can be obtained by contacting the IPP Production Helpdesk via email IPPCustomerSupport@fiscal.treasury.gov or phone (866) 973-3131. If the Contractor is unable to comply with the requirement to use IPP for submitting invoices for payment, the Contractor must submit a waiver request in writing to the Contracting Officer with its proposal or quotation.
