

# ATTENTION REGISTERED SEWAGE CONTRACTORS

## WPCLF OPPORTUNITIES AVAILABLE

Columbus Public Health has been awarded \$50,000 under the Water Pollution Control Loan Fund (WPCLF) from Ohio EPA to spend on repairs and replacements of household sewage treatment systems within the City of Columbus and Worthington. These projects will be offered out for bid to contractors registered with the Columbus Public Health.

Columbus Public Health is always looking for new projects to use these funds. If you know of any household sewage treatment systems that are in need of repair or replacement in the City of Columbus or Worthington, please notify us so that we may help these homeowners and protect our waterways. We will have the homeowner apply to the program to see if they meet the income requirements.

## BIDDING

To be notified of projects up for bid and to bid on projects, contractors must become a vendor for the City of Columbus through our vendor services portal. Once contractors are registered as a vendor, they will receive email notifications when projects go up for bid and will be able to bid on the projects from the vendor services portal.

Go to <https://www.columbus.gov/finance/purchasing-office/About-Vendor-Services/> and follow the video guides on how to register as a new business. Expert help is available by contacting Vendor Services at [vendorservices@columbus.gov](mailto:vendorservices@columbus.gov) or calling (614) 645-8315.

**GO DIRECTLY TO VENDOR SERVICES**

Columbus Vendor Services is an eGov initiative made possible through a collaboration of the City Auditor's Office, the Department of Finance & Management - Purchasing Office, and the Mayor's Office - Equal Business Opportunity Commission Office, and seeks to accomplish the following:

- Provides a one-stop, twenty-four hour portal for vendor services and contract information.
- Allows vendors to express interest in doing business with the City and effectively self manage W9, registration, compliance, and bid information.
- Provides open access for vendors to compete for the public's business.
- Assists City agencies in obtaining necessary

For general questions regarding WPCLF, please call 614-645-5588
