

SUBCONTRACTOR LISTING FORM (TO BE COMPLETED FOR IFB CONSTRUCTION ONLY) TO BE COMPLETED BY CONTRACTOR ONLY

The Prime (Offeror) is required to list each first-tier Subcontractor that will perform work or labor or render service to the Prime in or about the construction of the work or improvement, or is a first-tier Subcontractor who specially fabricates and installs a portion of the work or improvement according to detailed drawings contained in the plans and specifications, in an amount in excess of one-half of 1 percent of the Prime's Total Bid Price, or, in the case of bids for the construction of streets or highways, including bridges, in excess of one-half of 1 percent of the Prime's Total Bid Price or ten thousand dollars (\$10,000), whichever is greater. For the avoidance of doubt, a "bid for construction of streets or highways, including bridges" for the purpose of this Form, refers to the Prime's (Offeror's) bid submitted in response to an IFB where the scope of work is primarily for the construction of streets or highways, including bridges. For a bid to be responsive, the Prime (Offeror) must complete this form and submit it with the bid.
