Pre-Solicitation Notice/Synopsis
BSA Bulk Fuel, W912L8-26-Q-A034

This is not a solicitation. This is a pre-solicitation notice (synopsis) only, posted in accordance with FAR 5.201. This is not a request for quotes (RFQ) or proposals. A formal solicitation is expected to be issued on or about July 15.

Requirement Description
The West Virginia National Guard (WVNG) has a requirement for a firm-fixed-price contract to deliver 10,000 gallons of On-Road Diesel Fuel to support training operations. This requirement will be solicited as a 100% Total Small Business Set-Aside.

NAICS Code: 324110 (Petroleum Refineries)

Small Business Size Standard: 1,500 employees

Strict Delivery Constraints & Performance Location
Due to mission requirements, the Government requires expedited delivery to a specific localized coordinate within an 11-day window.

Delivery Location: 409 Wood Mountain Rd, Glen Jean, WV 25846.

Delivery Schedule:

CLIN 0001 (5,000 Gallons) – Delivery strictly required within a 24-hour notice between the 25-27 of July 2026.

CLIN 0002 (5,000 Gallons) – Delivery strictly required on August 4, 2026.

Note: Failure to meet these exact delivery dates and locations will result in non-acceptance.

Instructions to Interested Parties

No quotes are being accepted at this time. Interested small business vendors who possess the logistical capability and fuel transport assets to guarantee delivery to Glen Jean, WV within the strict timeframes outlined above may submit a brief statement of interest and capability to the Point of Contact.

Capabilities must be emailed to juan.h.arevalojimenez.civ@army.mil no later than July 15, 2026 0700hrs.
