QUESTIONS & ANSWERS – FCC POLLOCK

1. I wanted to see if you could provide clarification regarding the telehealth services required in FCI Pollock. The PWS states telehealth services should be provided during the hou8rs of 8am-3pm. Would this be Monday through Friday or 7 days per week? **It would be up to the vendor to propose the days available. We just limit the time that staff are there.**

2. SAM.gov issued an amendment on July 2, 2026, indicating that the deadline had been extended to July 10, 2026. However, I believe July 10, 2026, was already established as the deadline in the previous amendment posted on June 3, 2026. **This is just the SF30 that was never posted when the original amendment was posted.**

3. Regarding the telehealth equipment requirement in Attachment 6 of the Pollock RFP. Is it the responsibility of the awarded contractor to provide the listed Telehealth Equipment, or is it listed for information purposes regarding what equipment is currently at the Institution? **It is the second one; the equipment listed is what the institution currently has.** ***(This question was previously posted, but I added it for your convenience.)***
