RFIs Questions and Answers

RFIs Batch # 1, 2, 3, 4

1. Can the government forward me the Gerber AccuMark patterns for this garment?

Answer: YES, upon formal RFI request, the government can provide the Gerber AccuMark files for the Black Parka Garment.

RFI Batch # 2

1. The solicitation and specifications indicate that materials and components will be provided by the Government. Could you please confirm whether all materials required to manufacture the parka will be Government-furnished?

Answer: This would include, but may not be limited to, shell fabric, pocket welt material, cuffs, zippers, size and barcode labels, boxes, thread, labels, and any other trims or components needed to complete the parka.

Answer- Yes, all components will be furnished by the Government as stated above.

2. Based on the Government-furnished materials language, should offerors understand this requirement as primarily a cut-and-sew manufacturing service using Government-provided materials and components?

Answer: Yes

3. Could you please advise where offerors may obtain the required Gerber AccuMark pattern files and/or any official pattern package needed to produce the required size 40 Regular sample parka?

Answer: Yes, Government will provide all necessary files or patterns that are needed to produce size 40 reg sample parka.

RFI Batch # 3

1. The question on the labeling is if you will be physically providing it for either the sample or the actual garments we make for this RFQ, and if we are to only add the cost of sewing them on, or if we need to produce both the labeling, barcode and emblem and sew them on?

Answer: No , manufacture label will be applied to coat. We will provide barcode for you to sew on.

2. Also will you be providing us with the emblem that shows 27?

Answer: No. Patch will be sewn on by Uniform Factory.

3. Also will the sample you will be providing have all of this already sewn on it?

Answer: Parka will have West Point label and barcode attached for your verification. Patch will not be attached. Your manufacture label will be used in replacement of West Point label.

RFI Batch # 4

1. Could you please confirm whether the parka requires a lining on the interior of the shell? If so, will the lining material be included in the Government-Furnished Materials package?

Answer: To all, the parka does not require a lining

2. Are there any specific packaging, packing, or shipping requirements for production quantities beyond the requirement of seven (7) parkas per box, such as carton dimensions, palletization standards, or other shipment requirements?

Answer: Only requirement for packaging is seven (7) parkas per box.
