SUMMARY OF CHANGES

Block 14 (Description of Amendment/Modification): The purpose of this amendment is to make the following changes:
1) Authorize Alternate Quoting Options (Chair Reuse): In response to contractor feedback during the site visit, the Government has determined that the existing back row of auditorium chairs is in excellent condition and may be retained. Accordingly, the Statement of Work (SOW) is updated to authorize contractors to submit multiple/alternate quotes as follows:

Option A (Full Replacement): Complete replacement of all auditorium chairs.
Option B (Partial Replacement): Retention of the existing newer back row of chairs, with the procurement and installation of new chairs that aesthetically and functionally match the retained back row for the remainder of the auditorium.

2) Update SOW and Evaluation Criteria: The SOW has been revised to incorporate the alternate chair reuse language, and the Evaluation Criteria has been updated to reflect the evaluation process for alternate submissions.
