	The purpose of this solicitation amendment is to provide the questions and answers received in response to this Request for Quote. Question: In reviewing the technical execution parameters, our specialized teaming partner requested to know if historical emissions test reports for these specific engines (LWE-01 through LWE-05) will be made available for review? If these previous reports are accessible, will they be provided to the selected contractor immediately following the post-award kickoff? Answer: The historical emissions test reports for these specific engines will be provided to the awardee upon award of the purchase order.
