Offeror shall complete the listing of past performance references below, including three (3) references for whom contracts of similar scope, size, and complexity are either ongoing, or were completed within the past three years. References listed must be familiar with the contract and able to answer questions about performance and adherence to requirements. The offeror is responsible for ensuring contact information for all past performance references is the most recent and valid information available.

For each past performance reference identified below, the offeror shall include the following information:

- Contract Number
- Aggregate Award Amount
- Period of Performance
- Name of agency or company and address
- Current Point of Contact (including: name, title or position, phone number, and email address) who can provide performance feedback information
- Brief description of the contract demonstrating the relevance in scope to this requirement
