52.212-2 Evaluation Commercial Items, Evaluation – Commercial Products and Commercial Services NOV 2021.
(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

Evaluation Factors – The evaluation factors that will be used are:

1. Technical Acceptability – Ability to meet the required delivery date and the salient characteristics of the Product Description.
2. Price – Lowest Price Technically Acceptable (LPTA)
3. Past Performance – Based on the Supplier Performance Risk System

Price: The Government will evaluate the proposed price for reasonableness in accordance with FAR 12.203

Past Performance: The Government will consider the recency and relevancy of past performance information compared to the requirements detailed in the Statement of Work, the source of the information, the context of the data and general trends in the offeror's performance and any associated risk. The Government will also consider the extent of the offeror's ability to perform previous contracts successfully. In accordance with DFARS provision 252.204-7024, Notice to Prospective Suppliers on Use of Supplier Performance Risk System in Past Performance Evaluations is hereby incorporated by reference.

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of provision)

B. 52.212-3 Offeror Representations and Certifications – Commercial Products and Commercial Services (MAR 2025) (DEVIATION 2025-O0004).
