Const. Contract No: N40085-25-B-0004

APPENDIX D
BUILDING INFORMATION CHECKLIST

Use Appendix D as a checklist of required information to be entered into the real property database. Provide this information for each Real Property Facility listed on the DD Form 1354 in a format that allows easy data entry into the real property system. Normally this information is provided by the A/E electronically, often in XML format or GIS compatible format.

BUILDING IDENTIFICATION for this 5-Part CHECKLIST				
Facility Number	**Building Name**	**Number of Floors**	**Gross SF**	**Net SF**
B1860		1	25,000	

1. Building Dimensions and Construction Materials

Building Outside Dimensions	**Length (LF)**	**Width (LF)**
Main Building	197'	119'
Wings	N/A	
Offsets	N/A	
Basement	N/A	
Attic	N/A	
Porches, covered	N/A	
Roof	197'	119'
Foundation	197'	119'

Other Building Data	**Feet**
Ceiling Height Main Bldg.	16'-0"
Ceiling Height Basement	
Door Height	7'-0"
Door Width	3'
	Code
Fire Rating Code	II-B

Construction Materials	**Type**
Principal Structural Material	CMU and Steel Decking
Secondary Structural Material	
Exterior Wall Material	Brick
Interior Wall Material	Gypsum Board
Floor Surface Material	Concrete
Sub-Floor Material	Concrete

Additional Construction Materials	Type	
	Foundation Form	**Pile or Foundation Material**
Foundation	Concrete	
	Roof Type	**Roof Material**
Roof Support	Steel Structure	
Roof Deck	Steel	
Roof Surface	Modified Bitumen	

Construction Materials (Pavements)	**Type**
Surface Course Materials	
Base Course Materials	

2. Utility Connections, Information and Fuel Data

Utility Connections	Number of Pipes	Diameter of each pipe	Capacity of all inlet pipes	Available or Connected? (Yes/No)
Water	N/A			
Gas	N/A			
Sewer Pipe	N/A			
Storm Sewer Pipe				
Steam				
Condensate				
Communications	N/A			
System	**Energy Type**	**Source Location**	**Fuel Description**	**Air Circulation**
Heating	N/A			
Air Conditioning	N/A			
Hot Water	N/A			
Steam				
Electrical	Existing- Not In Scop			

Electric	Phase	Voltage	Wire Size	Connected Load - AMPS	Connected Load - KVA
Existing- Not In Scope					

3. Building Systems

Nomenclature	UM	Amount of UM	Description
Fire Protection System			
Closed Head Auto Sprinkler	HD	N/A	
Open Head Deluge System	HD	N/A	
Auto Fire Detection System	HD	N/A	
Manual Fire Alarm System	EA	N/A	
CO2 Fire System	EA	N/A	
Foam Fire System	EA	N/A	
Other Fire System	EA	N/A	
Halon 1301 Fire System	EA	N/A	
Security System			
Security Alarm System	EA	N/A	
Heating System			
Heating Plant	MB	NA	
Storage Tank for Heating Fuel	GA	N/A	
Air Conditioning System			
Central A/C Plant	TN	NA	
Electrical System			
Emergency Electrical Power Generator	KW/KVA	N/A	
Storage Tank for Generator Fuel	GA	N/A	
Hot Water			

4. Installed Building Equipment (Real Property)

Item	Size/Quantity	Units	Model	Description
Evaporative Coolers		CFM		
Hot Water Heater		GA		
Exhaust Fan		CFM		
Wash Basin		EACH		
Water Closet		EACH		
Urinal		EACH		
Utility Sink		EACH		
Refrigerated Drinking Fountain		EACH		
Heating Plant Under 750 MB/Hr		MB		
Forced Air Heating		BTU		
Other Heating		BTU		
Dehumidifiers		GPM		
Elevators		LBS & PN		
Theater-type Seats, bolted to floor		PN		
Other (SPECIFY)				

5. Checklist for Associated Utilities and Structures to be specifically listed as an item on DD Form 1354, column 10, if part of the project.

Nomenclature	UM	Amount of UM	Cost	Comments
Primary Elect. Distr. Line OH	LF	Existing	N/A	Retaining
Transformers	KVA	Existing	N/A	Retaining
Power Poles	EA	Existing	N/A	Retaining
Secondary Elect. Distr. Line OH	LF			
Exterior Street Lighting or Parking Area Lights	EA	Existing		
Gas Mains	LF			
Septic Systems	KG			
Sanitary Sewer	LF			
Water Distr. Mains	LF			
Fire Hydrants	EA			
Curbs & Gutters	LF			
Driveway	SY			
Roadway	SY			
Vehicle Parking	SY			
Storm Drain	LF			
Fence, Security	LF			
Fence, Interior	LF			
Sidewalk	SY			
Transformer Vault (four or more transformers)	SF			
Telephone Duct	LF			
Telephone Pole	LF			
Bridge Abutment	EA
