Request for Proposal (RFP) - 15BRRC26R00000009
Residential Reentry Center (RRC) services and Home Confinement (HC) services for male and female offenders located within city limits of Pawtucket, Rhode Island. Home Confinement radius is within 100 miles of the RRC facility.

The Federal Bureau of Prisons is seeking concerns having the ability for providing Residential Reentry Center (RRC) services (in-house RRC beds) and Home Confinement services (home confinement placements) for male and female Federal offenders held under the authority of United States Statutes which are located within city limits of Pawtucket, Rhode Island. Home Confinement radius is within 100 miles of the RRC facility.

Both the RRC services for in-house RRC beds and the Home Confinement services for home confinement placements shall be in accordance with the Federal Bureau of Prisons Statement of Work (SOW) entitled, “Residential Reentry Center, March, 2022”. Home Confinement services (for home confinement placements) are specifically defined in chapter 10, programs, of the SOW. Additional requirements for these services are referenced throughout the SOW as well.

This will be a Firm-Fixed Price/IDIQ contract for services with a one-year base period, and four one-year options periods.

The RRC In-House requirement will consist of a guaranteed minimum 8 beds (8 males and 0 females) and an estimated maximum 20 beds facility in which 18 beds will be designated for males and 2 beds designated for females.

The Home Confinement requirement will consist of a guaranteed minimum 3 placements and an estimated maximum 8 placements to include both male and female.

It is the intent of the Government to award both line items (RRC in-house beds and home confinement placements) to a single provider, as these services are interconnected and rely upon each other to ensure adequate programming and case management of offenders. The Government reserves the right to potentially make an award which is deemed to be in the best interest of the Government.

15BRRC26R00000009 will be available on or about August 3, 2026, and it will be distributed solely through the General Services Administration's Federal Business Opportunities website at https://SAM.gov. Hard copies of the solicitation will not be available. The site provides downloading instructions. Future information about this acquisition will also be distributed through this site. Interested parties are responsible for monitoring this site to ensure that they have the most up-to-date information about this acquisition. The estimated closing date of this solicitation (RFP) will be after 60 days around October 2, 2026.

All responsible sources may submit a proposal which will be considered by this agency. No collect calls will be accepted. No telephone request or written requests for the solicitation will be accepted.
