SMALL BUSINESS PREFERENCE AND TACPA NOTICES

5% Small Business Preference / Target Area Contract Preference Act (TACPA) (page 3)

5% SMALL BUSINESS PREFERENCE PROGRAM

What is a California Certified Small Business (SB)?

- 1) For a business to be considered a Small Business (SB), they must be certified with the State of California - Department of General Services in accordance with California Code of Regulations, Title 2, Section 1896.94.
- 2) Your business may be eligible if it meets all of the following*:
 - a. Must be independently owned and operated.
 - b. Cannot be dominant in its field of operation.
 - c. Must have its principal office located in California.
 - d. Must have its owners (or officers in the case of a corporation) domiciled in California.
 - e. Together with its affiliates, be either:
 - A business with 100 or fewer employees, and an average annual gross receipts of \$16 million or less over the previous three tax years, **or**
 - A manufacturer with 100 or fewer employees.
 - f. Microbusiness: A small business will automatically be designated as a microbusiness if gross annual receipts, together with all affiliates, are less than \$5,000,000 or, the small business is a manufacturer with 25 or fewer employees.

* For additional details visit the [Department of General Services \(DGS\) website](#).

What is the Small Business Preference?

5% Small Business Preference: State law allows certified small business (SB) and microbusiness (MB) firms to receive a 5% bidding preference on applicable state solicitations. The 5% preference is also available for non-certified businesses who subcontract 25% of contract amount with a certified SB/MB. **In no event shall the SB preference or non-SB subcontracting preference exceed \$50,000 in any single bid.**

The effect of the preference is to help SBs/MBs be more competitive in the bid process, thereby enhancing state contract awards directly or indirectly to SB/MB. The preference is only used for computation purposes to determine the winning bidder, the contract is awarded at the actual bid amount.

1. How does the 5% Small Business (SB) Preference Work?

- a) The following example shows how the 5% preference computation works, and how it is used to determine a successful bidder.

Bidder	Bid Amount	Bid After 5% Preference	Small Business Status
1	\$30,750	\$30,750	Claims small business status, but is not CA certified
2	\$28,975	\$28,975	Does not claim to be a small business
3	\$29,520	\$29,520	Claims small business status, but their CA certification has expired
4	\$29,870	\$28,421	Claims small business and is CA Certified

b) Computation Method for example 4-a:

1. Five percent is applied to the **lowest (non-certified small business)** responsible bid ([Bidder 2] \$28,975 x .05 = \$1448.75).
2. The preference amount (\$1,448.75) is subtracted from the certified small business (Bidder 4's) bid amount (\$29,870 - \$1,448.75 = \$28,421.25).
3. Bidder 4's computed total is \$28,421.25, making them the lowest bidder.
4. The contract is awarded to Bidder 4 for \$29,870.

c) **NOTE:** *The 5% SB preference is applied to currently certified and registered small businesses and is used for bid evaluation purposes and **does not alter the bid's actual amount.***

2. Documentation

- a) Bidders must provide a printout from the State's SB/DVBE vendor system showing your certification and expiration date from the following web site. www.Caleprocure.ca.gov
- b) If a non-certified firm is claiming the SB Preference based on subcontracting at least 25% of the contract to a certified SB/MB, you must include a complete GSPD 05-105 with your bid. An evaluated bid under the 25% SB subcontracting qualification cannot displace a certified and registered SB.
- c) At completion of performance and when SB participation was included toward SB goals under this contract, then the contractor must complete and submit form DPR 489 to the State's designated representative under this contract and within the time specified within the contracting documents or within 60 days of receipt of final payment, whichever ever is sooner.

3. Verification

Information submitted by the bidders to claim the SB Preference will be verified by the State. If evidence of an alleged violation is found during the verification process, the State shall initiate an investigation, in accordance with the requirements of the PCC §10115, et seq., and MVC §999 et seq., and follow the investigatory procedures required by the 2 CCR §1896.80. Contractors found to be in violation of certain provisions may be subject to loss of certification, penalties and/or contract termination.

TARGET AREA CONTRACT PREFERENCE ACT (TACPA)

Any vendor whose bid is over \$100,000 may apply for Target Area Contract Preference Act (TACPA) preference. TACPA provides 5 to 9 percent preferences for a California business that is located in the qualified zone.

How does the TACPA Preference Work?

TACPA will be granted to California-based firms in accordance with Government Code §4530 whenever contracts for goods or services are in excess of \$100,000 and the bidder meets certain requirements as defined in the California Administrative Code (Title 2, §1896.30 et seq.) regarding labor needed to produce the goods or provide the services being procured. The TACPA is optional on the part of the bidder (not mandatory), is for bidder evaluation purposes only, and does not alter the amount of the awarded Contract.

Bidders seeking to take advantage of this preference will need to review the [DGS Procurement website](#) and submit the appropriate response forms with their bid. The bidder may omit these forms if there is no intention to claim this preference.

Please carefully review the forms and requirements. Bidders are not required to apply for these preferences. Denial of the TACPA preference request is not a basis for rejection of a bid.

The required applications/forms are as follows:

- [STD. 830, TACPA Preference Request for Goods and Services Solicitations](#)
- [DGS/PD 525, Manufacturer's Summary of Contract Activities and Labor Hours](#)
- [DGS/PD 526, Bidder's Summary of Contract Activities and Labor Hours](#)

These forms can be found on the California Statewide Forms Directory at:
<https://forms.dgs.ca.gov/content/DGSFormsPortal/california-state-forms-directory.html>

Contracts awarded with applied preferences will be monitored throughout the life of the contract for compliance with statutory, regulatory, and contractual requirements. The State will take appropriate corrective action and apply sanctions as necessary to enforce preference programs.

Note: You do not need to be a certified Small Business to apply for the TACPA Preference.

A written decision signed by the Deputy Director or designee shall be returned to Contractor within fifteen (15) working days of the receipt of the appeal.

Except for defaults of subcontractors, neither party shall be responsible for delays or failures in performance resulting from acts beyond the control of the offending party. Such acts shall include but shall not be limited to acts of God, fire, flood, earthquake, other natural disaster, nuclear accident, strike, lockout, riot, freight embargo, public regulated utility, or governmental statutes or regulations superimposed after the fact. If a delay or failure in performance by Contractor arises out of a default of its subcontractor, and if such default of its subcontractor, arises out of causes beyond the control of both Contractor and subcontractor, and without the fault or negligence of either of them, Contractor shall not be liable for damages of such delay or failure, unless the supplies or services to be furnished by subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule.

6. Forced, Convict, and Indentured Labor

No foreign-made equipment, materials, or supplies furnished to State pursuant to this agreement may be produced in whole or in part by forced labor, convict labor, or indentured labor. By submitting a bid to State or accepting a purchase order, Contractor agrees to comply with this provision of this agreement.

7. Potential Subcontractors

Nothing contained in this agreement or otherwise, shall create any contractual relation between State and any subcontractors, and no subcontract shall relieve Contractor of its responsibilities and obligations hereunder. Contractor agrees to be as fully responsible to State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons

8. Excise Tax (*Solely applicable to certain specified goods or articles manufactured or produced in the Philippines for domestic sale or consumption or for any other disposition and to things imported in to the Philippines.*)

The State of California is exempt from federal excise taxes, and no payment will be made for any taxes levied on employees' wages. If the resulting agreement will have a total value of \$200,000 or more, Contractor is hereby advised that it will be obligated to give priority consideration in filling vacancies in positions funded by the resulting agreement to qualified recipients of aid under Welfare and Institutions Code Section 11200. This requirement shall not interfere with or require a violation of a collective bargaining agreement, a federal affirmative action obligation for hiring disabled veterans of the Vietnam era, or nondiscrimination compliance laws of California and does not require the employment of unqualified recipients of aid.

10. Intellectual Property

Any works developed during and/or pursuant to this agreement by Contractor, including all related copyrights and other proprietary rights therein, as may now exist and/or which hereafter come into existence, shall belong to State upon creation, and shall continue in State's exclusive ownership upon termination of this agreement. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.
