INSPECTION CHECKLIST

National Park Service
Parks Planning Facilities and Lands, Building Code Official
Building_code@nps.gov

INSTRUCTIONS:

DESIGN

- Architect/Engineer (A/E) shall indicate if a listed inspection is required.
- If additional inspections are required, the A/E shall indicate under "Other" on the form.
- All required inspections are based on the 2024 International Code Council (ICC) codes and 2023 National Fire Protection Association (NFPA) 70.

CONSTRUCTION SOLICITATION

- Completed checklist shall be included with the construction solicitation and construction contract as part of the Construction Documents.

CONSTRUCTION

- Checklist shall be the official record for construction inspection approval or disapproval.
- Inspectors will sign-off on this form when inspections are complete and approved.
- Final inspection approval is required prior to issuance of Certificate of Occupancy. Original completed form shall be submitted with the request. Copies will be sent to the contractor, Contracting Officer, Contracting Officer's Representative and Construction Management Representative.

Questions regarding this form shall be directed to the Building Code Official at building_code@nps.gov
