Release Date: 7/10/2026

Response Date: 7/31/2026

Point of Contact: SusanDelaCruz@Treasury.gov

This is a Sources Sought Notice issued for market research purposes ONLY. Should this requirement move forward, a Request of Quote (RFQ) will be posted at a later date providing instructions for quoters to respond to the opportunity. The Government is seeking information to determine the specific capability and technical/product information * of qualified contractors to fulfill the requirements described herein. The Government will not pay for any information or administrative costs incurred in response to this Sources Sought Notice. All costs associated with responding to this notice will be solely at the interested party's expense. Not responding to this notice does not preclude participation in any future solicitation, if one is issued, it is the responsibility of any potential quoters to monitor SAM.gov for additional information pertaining to this requirement.

*****Specific Capability and Technical/Product Information: A statement of company's capability to supply the currency bundle labels and cash pak. Technical/Product information (e.g. literature, documentation, etc.) for each type of production material for which the company is capable of supplying including information on where the product will be manufactured.

The Treasury Common Services Center (TCSC) is seeking **small business contractors** to purchase the Currency Bundle Labels and Cash Pak. The contractor's business size metrics information entered in SAM registration must be less than or equal to the small business size standard specified above to qualify as a small business. Interested small business contractors are requested to respond to this notice and submit their technical capability (see attached BEP Specification for Labels: Pressure Sensitive, Currency Bundle and Cash Pak, 32 pages).

Interested contractors are to submit specification capability and technical/product information to susandelacruz@treasury.gov. Due date for response 7/31/2026 at 4:30PM E.T.
