Header Miscellaneous Text (Modified):

This is a five (5) year Indefinite Delivery Indefinite Quantity (IDIQ) solicitation with one (1) option to extend the contract through 30 Sep 2032. Funds will be obligated/cited upon the issuance of contract award and each subsequent Delivery Order (DO). The Government will only be obligated to order the stated minimum quantity. The Government is not obligated to issue any additional orders against the contract once the minimum has been ordered. However, the Government reserves the right to order up to the maximum quantity. The best estimated quantity for this IDIQ is 39 units, including the proposal evaluation unit. The minimum number of units that will be ordered off of the resulting contract is one (1) unit.

Contract Clauses

Additional Regulation or Supplemental Clauses Incorporated by Full Text

The following Clause modifications were made:
52.216-18 Ordering. Jul 2020 hereby reads as follows:

Ordering (Aug 2020)

(a) Any supplies and services to be furnished under this contract shall be ordered by issuance of delivery orders or task orders by the individuals or activities designated in the Schedule. Such orders may be issued from date of award through 30 September 2032 (if option is exercised)[insert dates].

(b) All delivery orders or task orders are subject to the terms and conditions of this contract. In the event of conflict between a delivery order or task order and this contract, the contract shall control.

(c) A delivery order or task order is considered "issued" when-

(1) If sent by mail (includes transmittal by U.S. mail or private delivery service), the Government deposits the order in the mail;

(2) If sent by fax, the Government transmits the order to the Contractor's fax number; or

(3) If sent electronically, the Government either-

(i) Posts a copy of the delivery order or task order to a Government document access system, and notice is sent to the Contractor; or

(ii) Distributes the delivery order or task order via email to the Contractor's email address.

(d) Orders may be issued by methods other than those enumerated in this clause only if authorized in the contract.

(End of clause)

52.216-22 Indefinite Quantity. (Deviation 2026-O0038) Jan 2026 hereby reads as follows:

Indefinite Quantity (Feb 2026) (Deviation 2026-O0038)

(a) This is an indefinite-quantity contract for the supplies or services specified, and effective for the period stated, in the Schedule. The quantities of supplies and services specified in the Schedule are estimates only and are not purchased by this contract.

(b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. The Contractor shall furnish to the Government, when and if ordered, the supplies or services specified in the Schedule up to and including the quantity designated in the Schedule as the "maximum." The Government shall order at least the quantity of supplies or services designated in the Schedule as the "minimum."

(c) Except for any limitations on quantities in the Order Limitations clause or in the Schedule, there is no limit on the number of orders that may be issued. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.

(d) Any order issued during the ordering period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order, which may include order options to be exercised after the ordering period of this contract but before the end of the period of performance of the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order, including options exercised, to the same extent as if the order were completed during the contract's ordering period; provided, that the Contractor shall not be required to make any deliveries under this contract after 30 September 2032 [insert date].

(End of clause)
