UPDATED: 11 August 2026

QUESTION #	DATE RECEIVED	PROSPECTIVE VENDOR'S QUESTION	DATE OF REPLY	GOVERNMENT'S RESPONSE	AMEND RFP?
1	9-Aug-26	I did not receive SF 30 so far. So, completion of SF 30 is not appricable for this time. Is this correct?	11-Aug-26	Correct, there has not been an amendment to this RFP.	**No**
2	9-Aug-26	Please let me know yen dollar exchange rate for making Schedule of Rates.	11-Aug-26	Payments will be made in USD. Offerors shall determine the exchange rate used when proposing prices. The proposed rates shall be in USD.	**No**
3	9-Aug-26	Above instruction requires a breakdown of gang costs, other labor costs, equipment cost etc. for commodity rates and manhour rates. My questions are as follows regarding this. a. Can you provide me with example or form of the breakdown? b. Should breakdowns be attached to SOR? c. SOR has 241 line items. So, amount of breakdowns are 241. Is my understanding correct?	11-Aug-26	A. The Government cannot provide an example; however, the Government kindly requests the breakdown includes how the Offeror's proposed rate was calculated. Please include all factors associated with the rate, including labor, overhead, profit, etc. B. Please add a tab on the Schedule of Rates, or provide the breakdown as its own Excel document. C. The breakdown does not have to be 241 lines; however, the Government should be able to evaluate the breakdown and understand the making of each line item's proposed rate.	**No**
