SOLICITATION M6700126Q0066 QUESTIONS AND ANSWERS

Questions and Answers are as follows:

Question 1: Is there an incumbent on this requirement? If so, please provide the incumbent information and the previous contract number.
Answer 1: There is no Incumbent therefore there is no previous contract number that can be provided.

Question 2: Place of performance — is the work required fully on-site at Camp Lejeune, or are hybrid/remote components permitted?
Answer 2: The work is required fully on-site at Camp Lejeune.

Question 3: Period of performance — base period and any option years?
Answer 3: There will be one (1) 12-month base year and four (4) 12-month option years. Please refer to section 5.3 “Period of Performance” of the PWS.

Question 4: Estimated service volume (caseload / number of participants / testing volume) to size staffing.
Answer 4: The Government anticipates one (1) Full -Time Equivalent to support a testing pool of approximately 1,000 participants with a monthly testing volume of ~10% of participants.

Question 5: Required certifications, licenses, or key-personnel qualifications (e.g., SAP/SAE credentials, 49 CFR Part 40 familiarity, any staffing minimums). PWS Section 10.1 lists SACO, UPC, and ASP-C certifications as preferred. Please confirm these are preferred (not required at award) and that the Government will provide the training/certification after award as indicated.
Answer 5: While the listed certifications are preferred, if the winning Contractor’s employee does not have the preferred certifications, the Training and Certifications will be scheduled upon arrival aboard Camp Lejeune North Carolina.

Question 6: Will a site visit or pre-quote conference be held?
Answer 6: Neither a site-visit nor a pre-quote conference will be held, but a kickoff meeting will be held after the resulting contract award.

Question 7: Service Contract Act seniority list. If there is an incumbent, will the Government provide the FAR 52.222-41 seniority list (incumbent employee names, classifications, and wage rates) to support price realism?
Answer 7: N/A

Question 8: Quote submission. Please confirm whether the completed and signed SF 1449 must be returned with the quote, and that quotes may be submitted in multiple emails if needed to stay within the 2 MB size limit.
Answer 8: The signed SF 1449 and resulting amendment answering questions must be returned with the quote. Quotes may be submitted in multiple emails if needed to stay within the 2 MB size limit.

DISTRIBUTION: DoW COMMUNITY ONLY

Question 9: Government-furnished items / access. Will the Government furnish workspace, IT systems access, and CAC, and what is the anticipated timeline for CAC issuance and system access after award (to inform phase-in)?
Answer 9: The government will provide a workspace; and IT equipment/ access will be provided. The anticipated timeline for CAC issuance and system access after award is <30-day timeline.

Question 10: Place of performance. Please confirm the expected frequency of on-site support at the secondary location (EOTG HQ, Bldg. RR280) beyond the monthly cadence noted in PWS Section 5.1.
Answer 10: The expected frequency of on-site support at the secondary location (EOTG HQ, Bldg. RR 280) is 2-3 times a month.

Question 11: Level of effort. PWS Section 6.0 estimates "no fewer than 1" personnel (one Business Manager/Technical Writer). Does the Government anticipate a single full-time equivalent for the base and all option years, and are there annual labor-hour expectations the Government would like reflected in pricing?
Answer 11: The Government does anticipate one (1) single full-time equivalent for the base and all option years. There are no annual labor-hour expectations that the Government would like reflected in pricing.

Question 12: Résumé. The RFQ does not require a résumé for the proposed individual. Will the Government accept a résumé if an offeror chooses to include one, and if so, is there a page limit for it?
Answer 12: A resume can be submitted with the RFQ if an offeror chooses to include one, if included there is no page limit.
