Denver, Colorado 80225-0287

Sign-in Sheet

Date: 10:00am MT; Tuesday, August 11, 2026
Project: GRCA 257282 – Replace Wastewater Plant at South Rim Village
Task Order #: 140P2026R0101

Oral comments provided by any party including but not limited to Government personnel and contractors shall be confirmed in writing before any action is taken. If a contractor receives information orally that they believe changes the requirements of the contract they shall submit, in writing, information regarding the issue to the Contracting Officer a maximum of 4 days after obtaining such information. No changes to the contract are binding unless issued by the Contracting Officer as a formal written contract modification.
