SOURCES SOUGHT NOTICE FOR COMMERCIAL ITEMS

General Information:

Document Type:	Sources Sought Notice
PID Number:	26-SIMACQ-D20-0006
Solicitation Number:	N6339426Q4060
Posted Date:	07/09/2026
Original Response Date:	07/16/2026
Product or Service Code:	See Description of Products
Set Aside:	None
NAICS Code:	See Description of Products

Description:

SOURCES SOUGHT / REQUEST FOR INFORMATION (RFI)

The Naval Surface Warfare Center, Port Hueneme Division (NSWC PHD) issues this Sources Sought Notice as a means of conducting market research to identify interested parties capable of supporting a future Blanket Purchase Agreement (BPA). This notice focuses on identifying capabilities and resources within the marketplace to support this BPA, as well as obtaining technical information to assist in refining the procurement strategy.

The results of this market research will contribute to determining the method of procurement and potential set-aside strategies. The applicable North American Industry Classification System (NAICS) code assigned to this requirement is listed per part within this notice.

The envisioned item(s) anticipated to be acquired as a result of a potential future solicitation are identified below.

Method of issue: Full and Open

The **NAVAL SURFACE WARFARE CENTER PORT HUENEME DIVISION** is seeking the following requirement to create a BPA:

INSTRUCTIONS TO INDUSTRY:

Requested Information: The Navy requests the following information from parties capable of providing the items listed in this Sources Sought Notice:

a) Company Name, Address, CAGE Code, DUNS.
b) Response Point of Contact name, telephone number, email address, and website URL.
c) Tailored Information describing company capabilities, resources, experience, and product lines that demonstrate an ability to provide the items described above.
    a. Company must state whether they can or can't provide each part listed by marking yes or no (Y/N) in the chart provided above.
d) Business Size, Special Size Sub-Category, and Type of Ownership for the Company.
e) Rough Order of Magnitude cost estimate to provide the items in the quantity described above
f) Feedback and questions regarding the feasibility or challenges for providing the items described above
g) Information regarding the commerciality of the items described above

Information herein is based on the best information available at the time of publication, is subject to revision, and is not binding upon the Government.

The Government will evaluate market information to ascertain potential market capacity to:

a) Provide supplies consistent in scope and scale with those described in this notice, Salient Characteristics, and otherwise anticipated
b) Secure and apply the full range of corporate financial, human capital, and technical resources required to successfully perform similar requirements.

Based on the responses to this Sources Sought Notice/market research, this requirement may be set-aside for small businesses or procured through full and open competition, and multiple awards may be made. Telephone inquiries will not be accepted or acknowledged, and no feedback or evaluations will be provided to companies regarding their submissions.

Submission Instructions:
Capable parties who consider themselves qualified to provide the above-listed items should respond to this Sources Sought Notice. Responses are required to be received **no later than 3:00 PM Pacific Daylight Time on 07/16/2026**. Responses should be provided in formats compatible with Microsoft Office 2010 for Windows or Adobe Portable Document Format (pdf). Receipt of responses will be acknowledged. Responses will not be returned.

Following the date of response submission, the Government may contact respondents to seek clarification of submitted information. All responses under this Sources Sought Notice shall be submitted to **Amber Bruno at amber.n.bruno.civ@us.navy.mil**. If you have any questions concerning this opportunity, please contact: Amber Bruno at amber.n.bruno.civ@us.navy.mil.

The Government WILL NOT PAY for any information received in response to the Sources Sought Notice nor will the Government compensate respondents for any cost incurred in developing information for participating in meetings with or engaging in discussions with the Government.

Proprietary and Limited Distribution: It is incumbent upon parties providing responses to this Sources Sought Notice to identify all data contained within that is proprietary or has limited distribution requirements. All information marked as proprietary information will be safeguarded to prevent disclosures to non-governmental personnel and entities.

There is no solicitation at the current time and **NO FUNDING IS AVAILABLE** for contractual efforts. This Sources Sought Notice does not constitute an Invitation for Bids, a Request for Quote or a Request for Proposal and it should not be construed as a commitment of any kind by the Government to issue a formal solicitation or ultimately award a contract. The U.S. Government is in no way liable to pay for or reimburse any companies or entities that respond to this announcement. Additionally, any costs incurred by interested companies in response to this announcement will NOT be reimbursed and are NOT considered allowable direct charges to other contracts or tasking.
