STATEMENT OF WORK (SOW)

Procurement and Delivery of Utility Task Vehicles (UTVs)

USCG Base Borinquen, Puerto Rico

---

1. Scope of Work

The Contractor shall provide and deliver five (5) brand-new, current-model-year, commercial-grade Utility Task Vehicles (UTVs) to support operations at United States Coast Guard (USCG) Base Borinquen, Aguadilla, Puerto Rico. This contract is Firm-Fixed-Price (FFP) and requires complete door-to-door delivery and vehicle assembly.

---

2. Technical Specifications & Salient Characteristics

This procurement is conducted on a **"Brand Name or Equal"** basis. The salient characteristics listed below are based on the **CFMOTO UFORCE 1000 XL** (referenced in commercial quotes as the U10 XL Pro).

Any "or equal" vehicle submitted by offerors must meet or exceed the following minimum technical specifications:

2.1 Vehicle Dimensions and Capacity

- **Seating Capacity:** Must accommodate a minimum of six (6) adult passengers comfortably with factory-installed seating and three-point safety belts for all positions.
- **Cargo Bed:** Rear cargo dump bed with a gas-assist lift and a minimum cargo payload capacity of 750 lbs.
- **Towing Capacity:** Minimum towing capacity of 2,000 lbs via a standard 2-inch receiver hitch.

2.2 Engine and Drivetrain

- **Engine Type:** Liquid-cooled, electronic fuel-injected (EFI) engine with a minimum displacement of 950cc.
- **Emissions:** Must be certified EPA-compliant for the current model year.
- **Drivetrain:** Selectable 2WD/4WD with a locking front/rear differential.
- **Steering:** Electronic Power Steering (EPS) standard.

2.3 Cab and Climate Control (Enclosed Cab System)

- **Enclosure:** Full hard-sided, factory-installed integrated cabin enclosure.
- **Doors:** Hard-sided, full-coverage doors with functional rolling or sliding windows.
- **Windshield:** Front windshield made of safety glass equipped with an integrated wiper/washer system.
- **Rear Window & Roof:** Solid rear glass panel and a full-coverage protective roof.
- **Climate Control:** Fully integrated, factory-installed Heating, Ventilation, and Air Conditioning (HVAC) system.

2.4 Road-Ready & Safety Equipment

- High/low beam LED headlights and LED taillights.
- Integrated front and rear turn signals.
- Side-view mirrors and a rearview mirror.
- Hazard warning lights and horn.
- License plate bracket equipped with integrated lighting.

---

3. Shipping, Logistics, and Delivery (F.O.B. Destination)

Shipping terms are strictly **F.O.B. Destination** to protect the Government from shipping losses and logistics complications.

3.1 Delivery Location

All units shall be delivered to:

> **USCG Base Borinquen 260 Guard Rd Aguadilla, PR 00603**

3.2 Contractor Logistics Responsibilities

- **Door-to-Door Delivery:** The Contractor is 100% responsible for all logistics, including ocean freight booking, mainland/local transport, port clearances, and local drayage.
- **Delivery Condition:** Vehicles must be delivered fully assembled, inspected, and ready for immediate use. Flat-pack or partially assembled deliveries are not acceptable.
- **No Port Pickup:** The USCG will not assist with offloading, transportation, or pickup from any port. All shipping costs must be built into the line-item pricing.

3.3 Schedule and Coordination

- **Delivery Timeline:** All five (5) units shall be delivered within **90 to 120 calendar days** from contract award.

- **Delivery Notification:** The Contractor must notify the USCG Point of Contact (POC) at least ten (10) business days prior to arrival to coordinate gate clearances.

---

4. Key Federal Acquisition Regulation (FAR) Clauses

This commercial procurement incorporates standard simplified clauses by reference under FAR Part 12 and Part 13.

4.1 Explicitly Included Commercial & Logistics Clauses

- **FAR 52.212-4** – *Contract Terms and Conditions—Commercial Products and Commercial Services* (Standard commercial terms).
- **FAR 52.212-5** – *Contract Terms and Conditions Required To Implement Statutes or Executive Orders—Commercial Products and Commercial Services* (Commercial "umbrella" clause).
- **FAR 52.247-34** – *F.o.b. Destination* (Establishes contractor liability and shipping terms to Puerto Rico).

4.2 Mandatory Telecommunications Provisions

- **FAR 52.204-24** – *Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment*
- **FAR 52.204-25** – *Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment*
