**Special Notes and Instructions:**

1. This solicitation is **being solicited as 100% total set-aside for SB concerns**. Only offers submitted by SB concerns holding NAICS Code 337127 with a size standard of 500 employees will be accepted by the Government.

**2. Basis for Award.** 502 CONS/PKBA will issue a purchase order to the vendor who is determined to offer the best value to the Government. Failure to acknowledge Amendments may result in your quote not being considered for the award. The contract type shall be Firm Fixed Price (FFP). To be eligible for award, the offeror must have current Representations and Certifications is up-to-date and current in the System for Award Management located at **https://www.sam.gov** instead of requiring the offeror to complete these provisions and submit with quote.

**3. Best Value Determination.** The Offeror who is deemed responsible and responsive with the **Lowest Priced, Technically Acceptable (LPTA)** quote will be determined to represent the best value. Technical acceptability will be determined by an evaluation of the quoted requirements that meet the technical criteria that is contained in the solicited item description. Quotes initially will be ranked from lowest to highest based on total cost. The Government will then evaluate the three lowest priced quotes for Technical Acceptability. However, the Government reserves the right to evaluate additional quotes for technical acceptability if deemed to be in the best interest of the Government. If additional quotes are evaluated for technical acceptability, they will be evaluated in the order of total cost. Award will be made to the responsible vendor whose quote is the lowest evaluated price among technically acceptable quotes.

**4. Interchanges.** The Government intends to award a contract without interchanges with respective vendors/offerors. The Government, however, reserves the right to conduct interchanges if deemed in its best interest. Under appropriate circumstances, interchanges can be an effective method to improve the Government's evaluation of Offerors' quoted approaches and may reduce acquisition cycle time. Interchanges may be written, email, phone call, etc., or any method which would accurately capture the contemporaneous sharing of information between the Government and the Offerors. Interchanges may also be oral conversations between the Government and the Offerors.

**5. Mandatory Registrations.** To be eligible for award, registration with the System for Award Management (SAM) must be current (legacy for On-line Registration and Certifications Application (ORCA) and Central Contractor Registration (CCR) registrations). To register or update former CCR and Reps & Certs that are not current go to **https://www.sam.gov/portal/public/SAM/** and provide mandatory information.

**6. Notice to Offeror.** The Government reserves the right to cancel this RFQ, either before or after suspense date. In the event the Government cancels this RFP, the Government has no obligation to reimburse an offeror for any costs. The contractor shall not request, nor will the Government make payment for any preliminary measurement, quotes, bids, site visit, time or proposal cost incurred. **Funds are not currently available for this requirement. No award will be made under this solicitation until funds are available. The Government reserves the right to cancel this solicitation, either before or after the closing date. In the event the Government cancels this solicitation, the Government has no obligation to reimburse an offeror for any costs.**

**7. Site Visit.** A site visit for this requirement is not required and therefore will not be scheduled.

**8. Site Maintenance.** Work areas must be maintained in a neat, clean and safe condition. All trash, debris and garbage which the contractor generates, shall be removed from the premises upon completion of work.
