9. Executive Order N-6-22 – Russia Sanctions

On March 4, 2022, Governor Gavin Newsom issued Executive Order [N-6-22](#) (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. “Economic Sanctions” refers to sanctions imposed by the U.S. government in response to Russia’s actions in Ukraine, as well as any sanctions imposed under state law. By submitting a Quote or proposal, Contractor represents that it is not a target of Economic Sanctions. Should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for rejection of the Contractor’s proposal any time prior to contract execution, or, if determined after contract execution, shall be grounds for termination by the State.

10. Generative Artificial Intelligence (GenAI) Disclosure Notification

The State of California seeks to realize the potential benefits of GenAI, through the development and deployment of GenAI tools, while balancing the risks of these new technologies.

Proposer must notify the State in writing if it: (1) intends to provide GenAI as a deliverable to the State; or (2), intends to utilize GenAI, including GenAI from third parties, to complete all or a portion of any deliverable that materially impacts: (i) functionality of a State system, (ii) risk to the State, or (iii) Contract performance. For avoidance of doubt, the term “materially impacts” shall have the meaning set forth in State Administrative Manual (SAM) § 4986.2 Definitions for GenAI.

Failure to report GenAI to the State may result in disqualification. The State reserves the right to seek any and all relief to which it may be entitled to as a result of such non-disclosure.

Upon notification by a Proposer of GenAI as required, the State reserves the right to incorporate GenAI Special Provisions into the final contract or reject proposals that present an unacceptable level of risk to the State.

Government Code 11549.64 defines “Generative Artificial Intelligence (GenAI)” as an artificial intelligence system that can generate derived synthetic content, including text, images, video, and audio that emulates the structure and characteristics of the system’s training data.

11. Tie

In the event of a precise tie between the low responsible proposal of a certified small business and the low responsible proposal of a certified disabled veteran owned business that is also a small business, the contract must be awarded to the disabled veteran owned small business. (GC § 14838 (f); 2 CCR 1896.8(f)).

12. Nonresponsive SFQ Responses

In addition to any condition previously indicated in this SFQ, the following occurrences may cause CalVet to deem a SFQ response as nonresponsive:

- Failure of a proposer to submit all required documents listed in this SFQ.
- A proposer submits a SFQ response that is conditional, materially incomplete or contains material alterations or irregularities of any kind.

13. Resolution of Differences between SFQ and Contract Language

If an inconsistency or conflict arises between the terms and conditions appearing in the final Agreement and the proposed terms and conditions appearing in this SFQ, the inconsistency or conflict will be resolved by giving precedence to the Agreement.

14. Protest

There is no protest right for this solicitation method. (GC § 14838.5.)
