~ The Contractor agrees to use DVBE subcontractors or suppliers originally identified by the Contractor, unless the Contractor requests substitution, in writing beforehand to the CDFW Contract Manager and the CDFW Contract Manager has approved such substitution. At a minimum, the request must include:
 - a. A written explanation of the reason for the substitution; and
 - b. The identity of the person or firm substituted.

The request and the CDFW Contract Manager's approval is not to be construed as an excuse for noncompliance with any other provision of law, including but not limited to the subletting and subcontracting Fair Practices Act or any other Agreement requirements relating to the substitution of subcontractors. Failure to adhere to at least the level of participation for DVBE proposed by the Contractor may be cause for Agreement termination and recovery of damages under the rights and remedies due the State.

An action for a civil penalty under this subdivision may be brought by any public prosecutor in the name of the people of the State of California and the penalty imposed will be enforceable as a civil judgment.

Pursuant to the M&VC Section 999.7, CDFW will withhold ten thousand dollars (\$10,000) from the final payment, or the full final payment if less than ten thousand dollars (\$10,000), until the Contractor complies with the certification requirements of Military and Veterans Code Section 999.5. Contractors that fail to comply with the certification requirements will be given notice and allowed to cure the defect. If after 15 calendar days but not more than 30 calendar days from the date of the notice, the Contractor fails to comply with the certification requirements, CDFW will permanently deduct ten thousand dollars (\$10,000) from the final payment, or the full payment if less than ten thousand dollars (\$10,000). The withholding applies to all procurement approaches with a DVBE subcontractor, as defined by M&VC Section 999(b)(4).
