Single Source Justification (Simplified Acquisition)

Section A: General Contract Information

Is this a Bridge Action as defined in the AF Bridge Action Reduction Plan? ☐ Yes ☒ No

Contracting Activity: 99th Contracting Squadron, 5865 Swaab Blvd Bldg 588, Nellis AFB, NV 89191

Project/Program Name: 556 TES Clear-Com Headsets

Purchase Request / Local ID Number: F3GEBA6181A001

Estimated Contract Cost (including Options) [redacted]

Section B: Description of the Supplies/Services Required

The 556 TES requires the purchase and delivery of fifty (50) Clear-Com CCC-802065-66-M and two (2) CC-300-X4 headsets.

Section C: Justification for Soliciting from a Single Source or Brand Name

The 556s require Audio-Multi Level Security (A-MLS) capable headsets to communicate over the radio while conducting flying operations. Each aircrew member must be able to communicate with the rest of the team. Due to this need for communication, each aircrew member will be issued one headset. Only Clear-Com provides headsets that are compatible with the installed A-MLS integrated cockpit intercom system. This system is currently installed and no other brand will communicate with the interface. This requirement will be a sole-source award to Clear-Com as they are the only manufacture than can fulfill the requirement to retrain mission sustainability.

Section D: Efforts to Obtain Competition

A solicitation will be posted on SAM.gov as a 100% small business set aside with brand name requirement (Clear-Com).

Section E: Steps to Preclude Future Single Source or Brand Name Awards

If future headset requirements arise, 432 MSG/CONS will inquire if another brand can fulfill the requirement. If no other brand can meet the A-MLS requirements, Clear-Com will be used as a brand name requirement.

Section F: Contracting Officer's Determination

I have determined, in accordance with FAR 13.106-1(b)(1), that the circumstances of this contract action deem only a single source is reasonably available.
