Employment Reports on Veterans

Per 52.222-38, Compliance with Veterans' Employment Reporting Requirements, offerors must have filed the most recent VETS-4212 Report at https://www.dol.gov/agencies/vets/programs/vets4212 if their company was awarded Federal Government contract(s) priced at or above $150,000 in the past year. If an offeror has not been awarded a Federal Government contract priced at or above $150,000 in the last year, include a written statement to that effect with your offer.

Please check one:
