PLEASE SUBMIT PAST PERFORMANCE QUESTIONNAIRE BY 8 SEP 2026 TO: benjamin.c.riessen.civ@army.mil

1. Did the contractor meet the original contract delivery schedule? Yes ___ No ____
   a. If no, was it contractor or Government caused delay?
   b. If contractor, why?
   c. How many times was the delivery schedule revised due to contractor delay?

d. If yes, was the contractor ahead of schedule and what benefit did it provide to the Government?

2. Throughout the course of your contract:

   a. Requests for Variance (RFVs) and/or Engineering Change Proposals (ECPs): How would you rate the timeliness and quality of these submissions?

   b. Did the contractor have any First Article Test or Lot Acceptance Test failures? If yes, please specify how this failure impacted the Government.

   c. Was the contract terminated for any reason? Please specify if applicable.

3. Critical characteristic failures:

   a. How would you rate the timeliness and quality of Failure Analysis Corrective Action Reports (FACARs)?

   b. How many critical characteristic failures did the Contractor have?

   c. Did the critical failures cause a major delay in schedule? If so, how many times and what was the impact to the Government?

4. How would you describe the overall quality of the contractor? WHY?

5. Was the contractor responsiveness to requests for information? WHY?

6. How would you describe the contractor/customer relationship for this contract? WHY?

7. Any other comments regarding Quality, Delivery Schedule Performance/On-Time Delivery or about the contractor's past performance in general?
