CABLE TELEVISION SYSTEM INFRASTRUCTURE SERVICES

A bidder walk-through will be conducted as scheduled at the institution/facility at the date and time indicated within this Attachment. Bidders **NOT ATTENDING A MANDATORY WALK-THROUGH** will **NOT BE ABLE TO BID** for that facility.

Bidders and/or their representative(s) attending a walk-through will be **required to sign in as documentation of attendance**.

Specific questions during the walk-through should be limited to the work site. Questions regarding the Scope of Work and/or Terms and Conditions of the pending Agreement should be directed to CDCR Contract Analyst identified within the IFB.

A Bidder Walk-Through Checklist has been included below to assist with completing the walk-through portion of the bid process. Bidders can prepare one checklist per planned attendance at each institution/facility as they complete the process.

Specific directions to each institution/facility can be found on the CDCR internet website at <https://www.cdcr.ca.gov/facility-locator/>. The contact for each location is included in the walk-through schedule.

BIDDERS THAT ATTENDED THE WALK-THROUGH DURING THE SOLICITATION OF IFB C5611695-D WILL RECEIVE CREDIT FOR ATTENDANCE.

Bidders' Walk-Through Checklist

☐	Institution/Facility:
☐	Type of Walk Through: ☐ MANDATORY ☐ OPTIONAL
	Scheduled Walk-Through Date: _____ Time: _____
	Walk Through Coordinator Name: _____ Phone: _____ Fax: _____ <u>Alternate:</u> Name: _____ Phone: _____ Fax: _____
☐	Notification to institution/facility Date: _____ Time: _____
☐	Gate Clearance documents to institution/facility completed.
☐	Bring bid documents to walk-through.
☐	Map/directions to the institution/facility.
☐	Request for Reasonable Accommodations to institution/facility.

The checklist does not relieve bidders of any of their responsibilities to complete any portion of the bid process, as it is only meant to assist.

The purpose of a walk-through is to allow bidders an opportunity to examine the work site before bidding in order to acquire a better knowledge of the area(s) and/or specific equipment affecting the work which may not be particularly described herein.

To secure gate clearance for admittance into any institution/facility, **all bidders are required** to contact the individual institution/facility on the schedule and provide the following information for the representative(s) that will be attending the walk-through:

- Complete name;
- Date of birth; and
- Valid driver's license or State DMV identification card number

After the institution/facility has completed the gate clearance process and bidders and their representative(s) are scheduled to attend a walk-through, they must bring a valid driver's license or State DMV identification card in order to be admitted onto institution/facility grounds.

Clothing Restrictions: While on institution/facility grounds, bidders and their representative(s) shall be professionally and appropriately dressed in clothing distinct from that worn by incarcerated individuals at the institution. Specifically, blue denim pants and blue chambray shirts, orange/red/yellow/white/chartreuse jumpsuits and/or yellow rainwear shall not be worn onto institution grounds, as this is incarcerated individual attire. The bidder should contact the institution regarding clothing restrictions prior to requiring access to the institution/facility to ensure compliance.

Electronic Devices: Electronic and communication devices such as pagers, cell phones, cameras/micro-cameras, and/or sound recording devices are not permitted on institution/facility grounds and must be left in the bidder's and/or their representative's locked vehicle. None of these devices are allowed on institution/facility grounds.

Tobacco-Free Environment: Pursuant to Penal Code Section 5030.1, the use of tobacco products by any person on the grounds of any institution or facility under the jurisdiction of the Department of Corrections and Rehabilitation is prohibited.

COVID-19 Requirements: Visitors, vendors, volunteers, and/or staff are required to respond to any active preventative screening measures in place at each CDCR institution/facility to decrease the spread of COVID-19; therefore, be advised that you and/or your employees will be required to adhere to this requirement. Contact the institution/facility prior to the walk-through for additional details.
