QUESTIONS AND ANSWERS

1. Is there any availability of technical data such as drawings, material specifications, etc.?
    a. Tech data is proprietary and you will need to contact Boeing if you require it. We can provide that the plugs must be:
        i. 2 piece semi-circle plug set (left and right sections)
        ii. Made of heavy-duty aviation fabric or reinforced vinyl outer shell
        iii. With a foam-filled or lightweight structural support for shape retention
2. If not, would there be availability to gain access to an existing plug?
    a. There will not be a site visit
