1. Regarding the requirement for **12 Each of P/N LMC18M87 (Thrust Reverser Plug Set)**, we require clarification on the "Set" definition to ensure accurate pricing:

- **Scenario A (Per Engine):** If "12 Each" refers to 12 **Engine Sets**, the total delivery would be 12 Left and 12 Right plugs.
- **Scenario B (Per Aircraft):** If "12 Each" refers to 12 **Aircraft Sets (Shipsets)**, the total delivery would be 24 Left and 24 Right plugs.

Could you please confirm if the requested quantity of 12 is intended to support **12 individual engines** or **12 complete aircraft**?

   - Customer requires scenario A
