3. **Online Small Business (SB) and Disabled Veteran Business Enterprise (DVBE) Certification Process**

California's SB and DVBE firms can now file their applications and get certified online via the Department of General Services website at: <https://www.dgs.ca.gov/PD/Services/Page-Content/Procurement-Division-Services-List-Folder/Apply-for-or-Re-apply-as-Small-Business-Disabled-Veteran-Business-Enterprise>. Small Businesses and DVBEs can access the numerous benefits that come along with certification in a more timely and efficient manner.

4. **Replacement of Disabled Veteran Business Enterprise Subcontractors**

If for this Agreement, the Contractor made a commitment to achieve Disabled Veteran Business Enterprise (DVBE) participation, then the Contractor must within 60 days of receiving final payment under this Agreement (or within such other time period as may be specified elsewhere in this Agreement) certify in a report to the awarding department: (1) the total amount the prime Contractor received under the Agreement; (2) the name and address of the DVBE(s) that participated in the performance of the Agreement; (3) the amount each DVBE received from the prime Contractor; (4) that all payments under the Agreement have been made to the DVBE(s), and (5) the actual percentage of DVBE participation that was achieved. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation (Military & Veterans Code section 999.5(d)).

The Contractor understands and agrees that should award of this Agreement be based in part on their commitment to use the DVBE subcontractor(s) identified in their bid or offer, per Military and Veterans Code section 999.5(e), a DVBE subcontractor may only be replaced by another DVBE subcontractor and must be approved by the Department of General Services (DGS).

Changes to the scope of work that impact the DVBE subcontractor(s) identified in the bid or offer and approved DVBE substitutions will be documented by contract amendment.

Failure of the Contractor to seek substitution and adhere to the DVBE participation level identified in the bid or offer may be cause for contract termination, recovery of damages under rights and remedies due to the State and penalties as outlined in Military and Veterans Code section 999.9, Public Contract Code (P.C.C.) section 10115.10 or P.C.C. § 4110 (applies to public works only).

5. **Award of the Agreement**

- a. Award of contract, if made, will be in accordance with the RFQ information on Evaluation to a responsible bidder whose bid complies with all the requirements of the RFQ documents and an addenda thereto, except for such immaterial defects as may be waived by the State. Award, if made, will be made within forty-five (45) days after the scheduled date for Contract Award as specified in the RFQ; however, a bidder may extend the offer beyond 45 days in the event of a delay of contract award.
- b. The State reserves the right to determine the successful bidder(s) either on the basis of individual items or on the basis of all items included in its RFQ, unless otherwise expressly provided in the State's RFQ. Unless the bidder specifies otherwise in its bid, the State may accept any item or group of items of any bid. The State reserves the right to modify or cancel in whole or in part its RFQ.

- c. Written notification of the State's intent to award will be made to all bidders. If a bidder, having submitted a bid, can show that its bid, instead of the bid selected by the State, should be selected for contract award, the bidder will be allowed five (5) working days to submit a Notice of Intent to Protest, according to the instructions contained in the paragraph titled "Protests" of this RFQ.
- d. Award will be made to the lowest responsible bidder meeting specifications and offering to supply the services described. The firm submitting the lowest responsible bid may be required to submit evidence that they have available, as needed, sufficient resources to provide the necessary equipment and personnel to enable them to meet the requirements of the Contract, and may also be required to furnish information as to their financial responsibility.
- e. It is understood and agreed that following the award of the Contract, the successful bidder shall agree to comply with all Exhibits attached herein, and provide the required documents requested (i.e., bonds, insurance certificates, etc.) in order for the EDD to complete the execution of a Standard Agreement (STD. 213).

f. Small Business/Microbusiness (SB/MB) and Small Business/Nonprofit Veteran Service Agency (SB/NVSA) Certification Preferences

A SB/MB and SB/NVSA Certification Preferences are applicable to the award of this Contract.

(1) Certified SB/MB and SB/NVSAs may claim preference when submitting a bid on this Contract. The preference is equal to five percent (5%) of the lowest responsible bid. When the lowest responsible bid is not submitted by a certified small business, the preference becomes applicable. Please note that the preference is used for computation purposes only (to a maximum amount of \$50,000) in determining the successful bidder. It does not alter the amount of the resulting contract.

(2) To learn more about the SB/MB and SB/NVSA Preference Programs and how your business might qualify, contact the Office of Small Business and DVBE Services at (916) 375-4940.

g. California Certified Small Business Subcontractor Preference

A five percent (5%) bid preference is available to a non-small business claiming twenty-five percent (25%) California certified small business subcontractor participation. If claiming the non-small business subcontractor preference, the bid response must include a list of the small business(es) with which you commit to subcontract in an amount of at least twenty-five percent (25%) of the net bid price with one or more California certified small businesses. Each listed certified small business must perform a "commercially useful function" in the performance of the contract as defined in Government Code section 14837(d)(4).

The required list of California certified small business subcontractors must be attached to the bid response and must include the following: 1) subcontractor name; 2) address; 3) phone number; 4) a description of the work to be performed and/or products supplied; 5) and the dollar amount or percentage of the net bid price (as specified in the solicitation) per subcontractor.

Bidders claiming the five percent (5%) preference must commit to subcontract at least twenty-five percent (25%) of the net bid price with one or more California certified small businesses. Completed certification applications and required support documents must be submitted to the Office of Small Business and DVBE Services no later than 5:00 p.m. on the bid due date, and the Office of Small Business and DVBE Services must be able to approve the application as submitted. Questions regarding certification should be directed to the Office of Small Business and DVBE Services at (916) 375-4940.

h. DVBE Bid Incentive

In accordance with Section 999.5(a) of the Military and Veterans Code, an incentive will be given to bidders who provide DVBE participation. For evaluation purposes only, the EDD shall apply an incentive to bids that propose California certified DVBE participation as identified on the Bidder Declaration DGS PD-05-105, (located elsewhere within the solicitation document) and confirmed by the EDD. The incentive amount for awards based on low price will vary in conjunction with the percentage of DVBE participation. The following percentages will apply for awards based on low price.

Confirmed DVBE Participation of:	DVBE Incentive:
5% or Over	5%
4% to 4.99% inclusive	4%
3% to 3.99% inclusive	3%
2% to 2.99% inclusive	2%
1% to 1.99% inclusive	1%

As applicable:

- (1) Awards based on low price - the net bid price of responsive bids will be reduced (for evaluation purposes only) by the amount of DVBE incentive as applied to the lowest responsive net bid price. If the #1 ranked responsive, responsible bid is a California certified small business, the only bidders eligible for the incentive will be California certified small businesses. The incentive adjustment for awards based on low price cannot exceed 5% or \$100,000, whichever is less, of the #1 ranked net bid price. When used in combination with a preference adjustment, the cumulative adjustment amount cannot exceed \$100,000.
- (2) Awards based on highest score - the solicitation shall include an individual requirement that identifies incentive points for DVBE participation.

- c. If it is found, upon license verification with the Contractor's State Licensing Board, that a bidder's license is suspended on the date of the bid opening and/or award of the Contract, or during the proposed term of the Agreement, the proposal shall be considered nonresponsive and shall be rejected.
- d. The EDD reserves the right to reject any and all bids and to waive any immaterial deviation or defect in the bid. The EDD's waiver of any immaterial deviation or defect shall in no way modify the bid document or excuse the bidder from full compliance with the solicitation document specifications if awarded a Contract.

8. **Tie Bids**

In the event of a tie between two bidders, a coin toss will be used to determine the winner. Any coin toss shall be observed by witnesses, and the tied bidders would be invited to have representatives present. Location and time will be announced to all bidders.

9. **Subcontractors**

No subcontracting will be allowed to circumvent competitive bidding. A certified Small Business/Microbusiness, Small Business/Nonprofit Veteran Service Agency or a certified Disabled Veteran Business Enterprise will only be permitted to subcontract in order to meet Department requirements and/or preferences. The subcontracting services and amount shall not exceed 25 percent (25%) of the bid. The Contractor shall be solely responsible for fulfilling the requirements of the bid. If it is anticipated that subcontractors will be used, the bid must include the name(s) of person(s) or firm(s), and must specify the portions and monetary percentages of the work to be done by them.

10. **Subcontractors Substitution**

If EDD gives written approval to subcontract, Public Contract Code section 4107 authorizes an awarding authority to consent to substituting a subcontractor when the subcontractor listed in the bid fails or refuses to execute a written Contract for the Scope of Work specified in the subcontractor's bid, and at the price specified in the subcontractor's bid.

These issues will first be resolved by the contact for the solicitation or if they result in a protest, the protest will be submitted to DGS Procurement Division Deputy Director to hear and resolve issues and whose decision will be final.
- b. Protests regarding selection of the "successful bidder" will be heard and resolved by the Victim Compensation and Government Claims Board whose decision will be final.
- c. All protests of award must be made in writing, signed by an individual authorized to bind the bidder contractually and financially, and contain a statement of the reason(s) for protest; citing the law, rule, regulation or procedure on which the protest is based. **EXHIBIT A
STATEMENT OF WORK
(Standard Agreement)**

1. PURPOSE

The purpose of this contract is to acquire "as needed" online/virtual training courses for the Employment Development Department (EDD) employees located statewide. The technical training, on-demand training, and training subscriptions are necessary for educating staff that have differing levels of knowledge within their roles and require specific courses that will enhance the department's ability to adopt and use advancements in technology. This will ensure that EDD employees are prepared to aid the department's immense customer base in the most efficient ways possible.

2. PERIOD OF PERFORMANCE

The term of this Contract shall begin on the date specified on the STD 213 cover page, or upon approval, and end 36 months later.

The Contractor shall not deliver or commence performance of services under this Contract until it has received written direction to do so from the EDD. Any services provided prior to direction from the EDD shall be considered voluntary on the part of the Contractor.

3. AMENDMENTS

The State may, at its sole discretion, elect to amend to increase funding. Amendments may also be used to allow the EDD Information Technology Branch (ITB) to purchase courses outside the contracted list if needed, after being agreed upon and approved by the EDD.

The Contract term may be extended for 2 additional 12-month periods for time and/or funds only. All amendments with funds shall be processed utilizing the original rates evaluated in Exhibit B-1, Course list and Costs, and shall not be denied by the Contractor.

The State is not obligated to use any or all of these options.

4. AMOUNT OF CONTRACT

The total cost of this Contract is the amount contained on the STD 213. Cost details are located in Exhibit B-1, Course List and Costs. In no event shall the total amount of the Contract exceed the amount contained on the STD 213 cover page, and there is no obligation on the part of the EDD to utilize the entire amount.

5. DESCRIPTION OF SERVICES

The Contractor will provide open enrollment training courses available on Contractor's public schedule for purchase by other customers located in the United States as this training cannot be provided by civil service employees. Currently, civil service employees do not have the knowledge and skills required to provide the training internally.

The EDD reserves the right to enroll an attendee in an alternate class in the event that the listed class becomes unavailable, as long as the enrollment cost of the new class does not increase the total Contract amount beyond the maximum total listed in Exhibit B.

The services shall be provided in accordance with Exhibit A-1 (State of California Holiday Schedule), and Exhibit B-1 (Course List and Costs), which are incorporated as part of this Agreement.

Either party may make changes to their Project Representative by giving written notice to the other party. Said changes shall not require an amendment to this Agreement.

BIDDER DECLARATION Instructions

All prime bidders (the firm submitting the bid) must complete the Bidder Declaration.

- 1.a.** Identify all current certifications issued by the State of California. If the prime bidder has no California certification(s), check the line labeled “None” and proceed to Item #2. If the prime bidder possesses one or more of the following certifications, enter the applicable certification(s) on the line:

- Microbusiness (MB)

The prospective recipient of Federal assistance funds agrees by submitting this RFP Response that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the DOL.
6. The prospective recipient of Federal assistance funds further agrees by submitting this RFP Response that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to check the List of Parties Excluded from Procurement or Non-Procurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the DOL may pursue available remedies, including suspension and/or debarment.
