7. AWARD AND PROTEST

A bidder may protest the award of a contract on the grounds that it (the bidder) is the lowest responsible bidder meeting the specifications and should therefore be awarded the contract.

A protestant must be able to prove that the awarding agency has committed a material error in the conduct of the bid award process.

Public inspection of all bids will be allowed after the bid opening.

Protests must be received in a timely manner pursuant to Public Contract Code Section 10345, as applicable. In order to be considered timely, a protest must be filed with the State Agency conducting the solicitation and DGS before the contract award is made.

Please note that if the award will be made to other than the low bidder, any protests must be filed within five business days of notice to the low bidder that the contract was awarded to another bidder. If a written request was submitted by a bidder to the State agency requesting that a notice of intent to award be posted, the protest must be filed during the five business days the notice is posted.

Within five (5) business days of filing the protest, the protestant must submit a detailed written statement of protest if the original protest did not contain the complete grounds for the protest.

Both the original protest and/or the detailed statement of protest, if any, must include the IFB number, the name of the State Agency conducting the solicitation, State agency contact person, and protestant's fax number, if any.

The protest documents may be sent by regular mail, email, courier, or personal delivery to:

2. No payment shall be made unless the Payee Data Record form has been completed and returned to the State.

F. Key Employee Policies and Guidelines Notice Acknowledgment (Consultants and Contractors)

1. The selected contractor awarded this Agreement must complete and submit the form DWR 9524a, Key Employee Policies and Guidelines Notice Acknowledgment. These policies and guidelines communicate expectations for contractors. Every contractor or subcontractors employee is expected to read and understand the material contained within. Primary contractor/subcontractors are responsible to ensure that their employees are aware of and adhere to the policies and guidelines.

G. Small Business Preference Program

1. The Small Business Procurement and Contract Act [Government Code \(GC\) Section 14838 et. seq.](#) requires that a fair share of the State's purchases and contracts for goods, information technology services and construction be placed with a certified Small Business (SB) or Micro-Business (MB). The Act mandates that state agencies:
 - a. Establish participation goals,
 - b. Provide a five percent (5.0%) SB calculation preference, and
 - c. Provide the opportunity for bidders to receive a five percent (5.0%) non-small business (NSB) calculation preference when achieving twenty-five percent (25.0%) SB participation through subcontracted efforts.

Bidder which is awarded the contract is committed to paying the stated percentage of the total contract amount (including contract amendments) to the SB subcontractor(s) as declared on the DGS PD 05-105 form. SB bidders and subcontractors must be certified by DGS/OSDS to participate in SB Preference program.

2. SMALL BUSINESS PREFERENCE

The SB Preference offers certified SB's and MB's a calculation preference in the amount of five percent (5%) of the lowest responsible bid submitted by a bidder who is not a certified SB. The SB Preference is used as a calculation for determining the lowest bidder and does not affect the actual price bid. Responding bidders must:

- a. Includes in its bid a notification to the awarding department that it is an SB or that it has submitted to The Department of General Services, Office of Small Business & Disabled Veteran Business Enterprise Services (DGS/OSDS) a complete application no later than 5:00 p.m. on the bid due date, and is subsequently certified by DGS/OSDS as an SB; and
- b. Include copy of firm's DGS/OSDS SB certification

- c. Submits a timely, responsive bid; and
- d. Be determined to be a responsible bidder.

3. NON-SMALL BUSINESS PREFERENCE

Non-small business (NSB) bidders will be granted a five percent (5.0%) NSB preference on a bid evaluation when a responsible NSB has agreed to subcontract at least twenty-five percent (25.0%) of their bid price with a California certified SB and if the NSB bidder's bid is not the low price bid, or when a proposal has been not been ranked as the highest scored bid pursuant to the evaluation of the solicitation. Responding bidders must:

- a. Include information on required form DGS PD 05-105, Attachment VIII, of the DGS/OSDS certified SB subcontractor(s) with which it commits to subcontract a total of at least twenty-five percent (25%) of its net bid price (refer to page two of form for detailed instructions);
- b. Include copy of the DGS/OSDS certification for each identified SB;
- c. Submits a timely, responsive bid; and
- d. Be determined to be a responsible bidder.

4. NON-SMALL BUSINESS PREFERENCE CALCULATION

The NSB calculation preference five percent (5.0%) is used for bid evaluation purposes only. Awards made as a result of the NSB preferences shall be awarded at the bidder's original bid price. The preference shall be computed as follows:

Bidder A, (Low Bid), non-small business:	\$125,000
Bidder B, non-small business (subcontracting 25% to a certified small business)	\$131,000
Calculation Preference:	$\$125,000 \times .05 = \$6,250$
Bidder B	\$131,000
Subtract calculated preference	<u>- \$6,250</u>
Adjusted Bid for Bidder B	\$124,750

Award is made to Bidder B as the low bidder at the bid price of \$131,000.

5. TIES BETWEEN CERTIFIED SMALL BUSINESSES AND DVBE BUSINESSES

In the event of a precise tie between the bid of an SB and the bid of a Disabled Veteran Business Enterprise (DVBE) that is also an SB, the award shall go to the DVBE that is also an SB.

6. MAXIMUM ALLOWABLE PREFERENCES

In no event shall the amount of the SB or NSB subcontractor preferences awarded on a single bid exceed \$50,000, and in no event shall the combined cost of the SB or NSB subcontractor preference and preferences awarded pursuant to any other provision of law exceed \$100,000. The five percent (5%) calculation preference is used for computation purposes only and does not alter or affect the actual bid price or the amount of the executed contract. When a certified SB is the lowest responsive, responsible bidder, then there is no need to compute the SB preference as the SB is the low bidder.

7. COMMERCIALLY USEFUL FUNCTION (SBs) ([Government Code \(GC\) section 14837\(d\) \(4\)](#))

A certified SB, micro-business (MB) contractor, subcontractor or supplier, must meet commercially useful function (CUF) requirements under [Government Code \(GC\) section 14837\(d\) \(4\)](#). Selected firms must perform a CUF relevant to this contract.

The term “small business contractor, subcontractor or supplier” means any person or entity that satisfies the ownership (or management) and control requirements in accordance with [GC section 14837\(d\) \(4\)](#) and provides services or goods that contribute to the fulfillment of the contract requirements by performing a CUF. A person or an entity is deemed to perform a CUF if that person or entity does **all** of the following:

1. Is responsible for the execution of a distinct element of the work of the contract.
2. Carries out contractual obligations by actually performing, managing, or supervising the work involved.
3. Performs work that is normal for its business services and functions.
4. Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices.

6. Its role is not an extra participant in the transaction, contract or project through which funds are passed in order to obtain the appearance of DVBE participation.

8. BIDDER CUF REQUIREMENTS

The Department will determine, to the best of its ability, that your firm meets the criteria above for CUF. In responding to this solicitation, you are confirming that, under [GC 14837 \(d\) \(4\)](#) above, your business provides goods and/or services meet the definition of CUF. All bidders are required to provide CUF documentation using the State’s Bidder Declaration form DGS PD 05-105, Attachment VIII, included in the solicitation document. When completing the DGS PD 05-105, bidders must identify all subcontractors proposed for participation in the contract. Any bidder awarded a contract is contractually obligated to use the subcontractor for the corresponding work defined unless the State agrees to a substitution.

1. DWR SB/DVBE PROGRAM MANAGER PRE-REVIEW OF DVBE DOCUMENTATION

The Department's SB/DVBE Program Manager offers a pre-review of a bidder's DVBE documentation prior to proposal submission. Since non-compliance with the DVBE program is immediate cause for rejection, the State strongly recommends firms interested in bidding take advantage of this opportunity to ensure they are fully compliant with DVBE Program participation requirements.

Bidders should allow at least five (5) working days for pre-review of their DVBE documentation and submit them to the following:

SB/DVBE Program Manager
Email: SB.DVBE@water.ca.gov

Upon satisfactory review of the bidder's DVBE documentation, the DWR SB/DVBE Program Manager issues a Notification of Compliance which the bidder will submit with their bid submittal.

2. DVBE INCENTIVE PROGRAM

Under [CCR 1896.99.100](#), the California DVBE Incentive provides responsive and responsible bidders the opportunity to receive additional incentive calculations. The incentive is applied at the time of solicitation evaluation when a proposing firm identifies and commits to using a California-certified DVBE subcontractor to provide services or commodities in support of the overall contract. Application of the DVBE Incentive may place the bidder in line for contract award.

The following are key elements of the DVBE Incentive Program:

- a. The DVBE Incentive is applied during the evaluation process and is only applied to responsive bids from responsible bidders proposing the percentage(s) of DVBE participation for the incentive(s) specified in the solicitation.
- b. DVBE Incentive participation is at the discretion of the bidder and is *optional* when overall DVBE Program requirements are exempt by the State for that solicitation.
- c. When requesting the DVBE Incentive Application, a bidder must complete and return the DVBE Incentive Application Request included within this solicitation with their proposal at time of submission.
- d. DVBE certified firm (bidder and/or subcontractor(s)) must be certified by DGS/OSDS.
- e. Services or commodities provided by the DVBE firm MUST meet the definition of CUF as defined under Government Codes: [14837](#) and [14842.5](#); [Military and Veterans Code 999 \(B\) \(i\) \(ii\)](#); and [California Code of Regulations 1896.71](#). A DVBE firm determined as not meeting CUF regulations will render the responding firm ineligible for the DVBE Incentive Application.
- f. Bidder which is awarded this contract, is committed to paying the stated percentage (on each form DWR 9526) of the total contract amount (including contract amendments) to the DVBE subcontractor declared on this form.

3. COMMERCIALLY USEFUL FUNCTION - DVBEs ([MVC 999\(B\)](#))

Firms selected must perform a “commercially useful function” relevant to this contract. The term “DVBE contractor, subcontractor or supplier” means any person or entity that satisfies the ownership (or management) and control requirements of [CCR 1896.61\(f\)](#); is certified in accordance with [CCR 1896.70](#) and provides services or goods that contribute to the fulfillment of the contract requirements by performing a commercially useful function. As defined in [MVC 999\(B\)](#), a person or an entity is deemed to perform a “commercially useful function” if a person or entity does *all* of the following:

- a. Is responsible for the execution of a distinct element of the work of the contract;
- b. Carries out the obligation by actually performing, managing, or supervising the work involved;
- c. Performs work that is normal for its business services and functions
- d. Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices
- e. Is responsible, with respect to products, inventories, materials, and supplies required for the contract, for negotiating price, determining quality and quantity, ordering, installing, if applicable, and making payment; and
- f. Its role is not an extra participant in the transaction, contract or project through which funds are passed in order to obtain the appearance of DVBE participation.

4. ORDER OF EVALUATION

For purposes of evaluation, first SB Preference will be applied, followed by the DVBE Incentive calculation.
