Questions and Answers

Number	Question	Answer
4	Will the Government confirm Resumes are excluded from page limits? (L.8.2.1.3)	Resumes are required by section L.8.2.1.3. and are included in the page limit for Factor 3. Factor 3 has a 15 page limit that includes resumes.
5	Within the RFP, L.6.1 states, "All pages with written content, including cover letters, Table of Contents pages, tables, illustrations, and appendices will be counted in the page calculation." Given the limited number of pages allotted for all three Technical Factors, will the Government please consider removing the Cover Letters, Table of Contents, and CPAR Reports from page count/calculation? (L.6)	Past performance questionaires and CPARS are not included in the page count. Cover letters are not required and will be included in the page count for Factor 1 if submitted. The Table of Contents will be excluded from the page count only if it contains no unique or additional information. Tables of Contents that include unique content will be included in the page count
6	Within the RFP, Section L.7.2 ends and go directly to Section L.8.2. Will the Government please confirm and clarify that Section L.8.2 (Factor 3: Seed Project) should be Section L.7.3, so that it aligns directly with the proceeding section?	This was a simple numbering error, but to avoid confusion we will not correct the numbering retroactively. Please continue to refer to the paragraphs by the number assigned in the solicitation.
7	Why would you set aside for ISBEE? If this is a national contract, wouldn't best value for the taxpayer be small business?	The Government's acquisition stategy is not a public document, and this question does not appear to have been submitted in good faith. However, we will take this opportunity to reaffirm our organization's confidence in our ISBEE partners, who have sucessfully performed under the predeccesor contract for the past five years, as well as to reaffirm our committment to comply with the Buy Indian Act 25 U.S.C. § 47, as amended.
